Below are some useful information to assist you in completing the Form IR8A:

INCOME

Description	What you need to know	
a) Gross Salary, Fees, Leave Pay, Wages and Overtime Pay	Report the amount due for the year 2023 regardless of whether:	
	 i. It was paid in the year 2023; or ii. It was paid/is payable to the employee in Singapore or outside Singapore. 	
	2) Gross salary should:	
	 i. Include remuneration paid by overseas employers to employees performing personal services in Singapore and maternity leave payments for working mothers; and 	
	ii. Exclude NSmen Pay paid directly to employees by MINDEF, Singapore Civil Defence Force or Singapore Police Force. If the NSmen pay was reimbursed to your company, report the full remuneration in the Form IR8A.	
b) Bonus	Bonuses are assessed in the year that an employee becomes entitled to the bonuses:	
	 Contractual bonuses which are payable in accordance with the terms of a contract of service or a bonus plan adopted by an employer and which cannot be rescinded by the employer without legal consequences. 	
	ii. Non-contractual bonuses which can be rescinded by the employer at any time prior to the actual payment of the bonuses without legal consequences.	
	For examples of when bonuses are to be declared, refer to www.iras.gov.sg [Taxes > Individual Income Tax > Basics of Individual Income Tax > What is taxable, what is not > Employment income > Salary, bonus, director's fee, commission and others]	

c) Director's Fees

Director's fees are assessed in the year that a director becomes entitled to the fees.

1. Approved in arrears

For director's fees that are approved in arrears (e.g. approved in 2023 after a director has rendered the requisite services for the accounting year ended 31 Dec 2022), the director is generally entitled to the director's fees on the date the fees are voted and approved at the company's Annual General Meeting or Extraordinary General Meeting ("AGM/ EGM").

Where the company held more than one meeting during the calendar year to approve payments of director's fees for the same accounting year, enter the <u>date of approval of the last held meeting.</u>

2. Approved in advance

For director's fees that are approved in advance (e.g. approved in 2023 before a director has rendered the requisite services for the accounting year ending 31 Dec 2023), the director is not entitled to the director's fees on date of AGM/EGM. Instead, he is entitled to the director's fees as and when he renders his services. For example, the director would be entitled to director's fees on a monthly basis if, based on the terms in the director's letter of appointment, he can enforce the payment of director's fees on a monthly basis.

Where the company held one or more meetings during the calendar year to approve payments of director's fees for different accounting years, enter the total amount of director's fees which the director is entitled to in 2023 and provide the following information as shown in the example below, in a separate sheet of paper:

Date of approval of director's fees at the company's AGM/EGM	Director's fees approved at AGM/ EGM are in respect of services for accounting year ended	Amount of director's fees which the director is entitled to in 2023
9 Jan 2023	31 Dec 2023	\$12,000
9 Jan 2023	31 Dec 2022	\$ 2,000
Total		\$14,000

If Section 45 withholding tax has been paid on director's fees payable to a non-resident director, indicate 'S45 applied' against your employee's designation on the Form IR8A. For employers participating in AIS, select "Y" under "Section 45 (applicable to non-resident director) Indicator".

For more information on the tax treatment of director's fees, refer to www.iras.gov.sg [Quick Links > e-Tax Guides > Select: Individual Income Tax > Tax Treatment of Director's Fees and Bonuses from Employment (Third Edition)]

Without Tax Concession:

Report the amount of contribution in item d6.

With Tax Concession:

As a tax concession, the employer's contributions to an overseas pension/provident fund are not taxed provided that all the following conditions are met:

- The contributions are mandatory under social security schemes operated, regulated and supervised by the employee's home country Government for employees even though they are working outside their home country; and
- ii. The contributions are not borne by or no deduction is claimed by any permanent establishment/company in Singapore.

The above concession will not apply if the employer is:

If tax concession is applicable, do not report the amount and only provide the following details in item d6:

- Whether the contributions are mandatory under social security schemes operated, regulated and supervised by the employee's home country Government for employees even though they are working outside their home country: and
