Mr Lim Hock Chee, Chief Executive Officer, Sheng Siong Group Ltd

"We recognised the potential of InvoiceNow to enhance our operational efficiency through seamless e-Invoice transmission and processing. It eliminates the need for additional data entry, supports faster payments to our suppliers, and we expect to save 33 hours weekly for our warehouse and finance operations. In addition, it helps us enhance our system capabilities by allowing direct invoice submission to IRAS."

Mrs E.S. Wee, Founder, Evergreen Group Pte Ltd

"The pilot allowed us to relook into the operational landscape at Evergreen Group. With structured, digital data in the system and a more streamlined workflow, we have seen productivity gain in invoice processing. In addition, filing GST returns has been smoother with ensured data availability and integrity in our system. We are overall happy with the improved efficiency and accuracy in both e-invoicing and GST filing."
