

Tax Made Simple. Business Made Stronger.

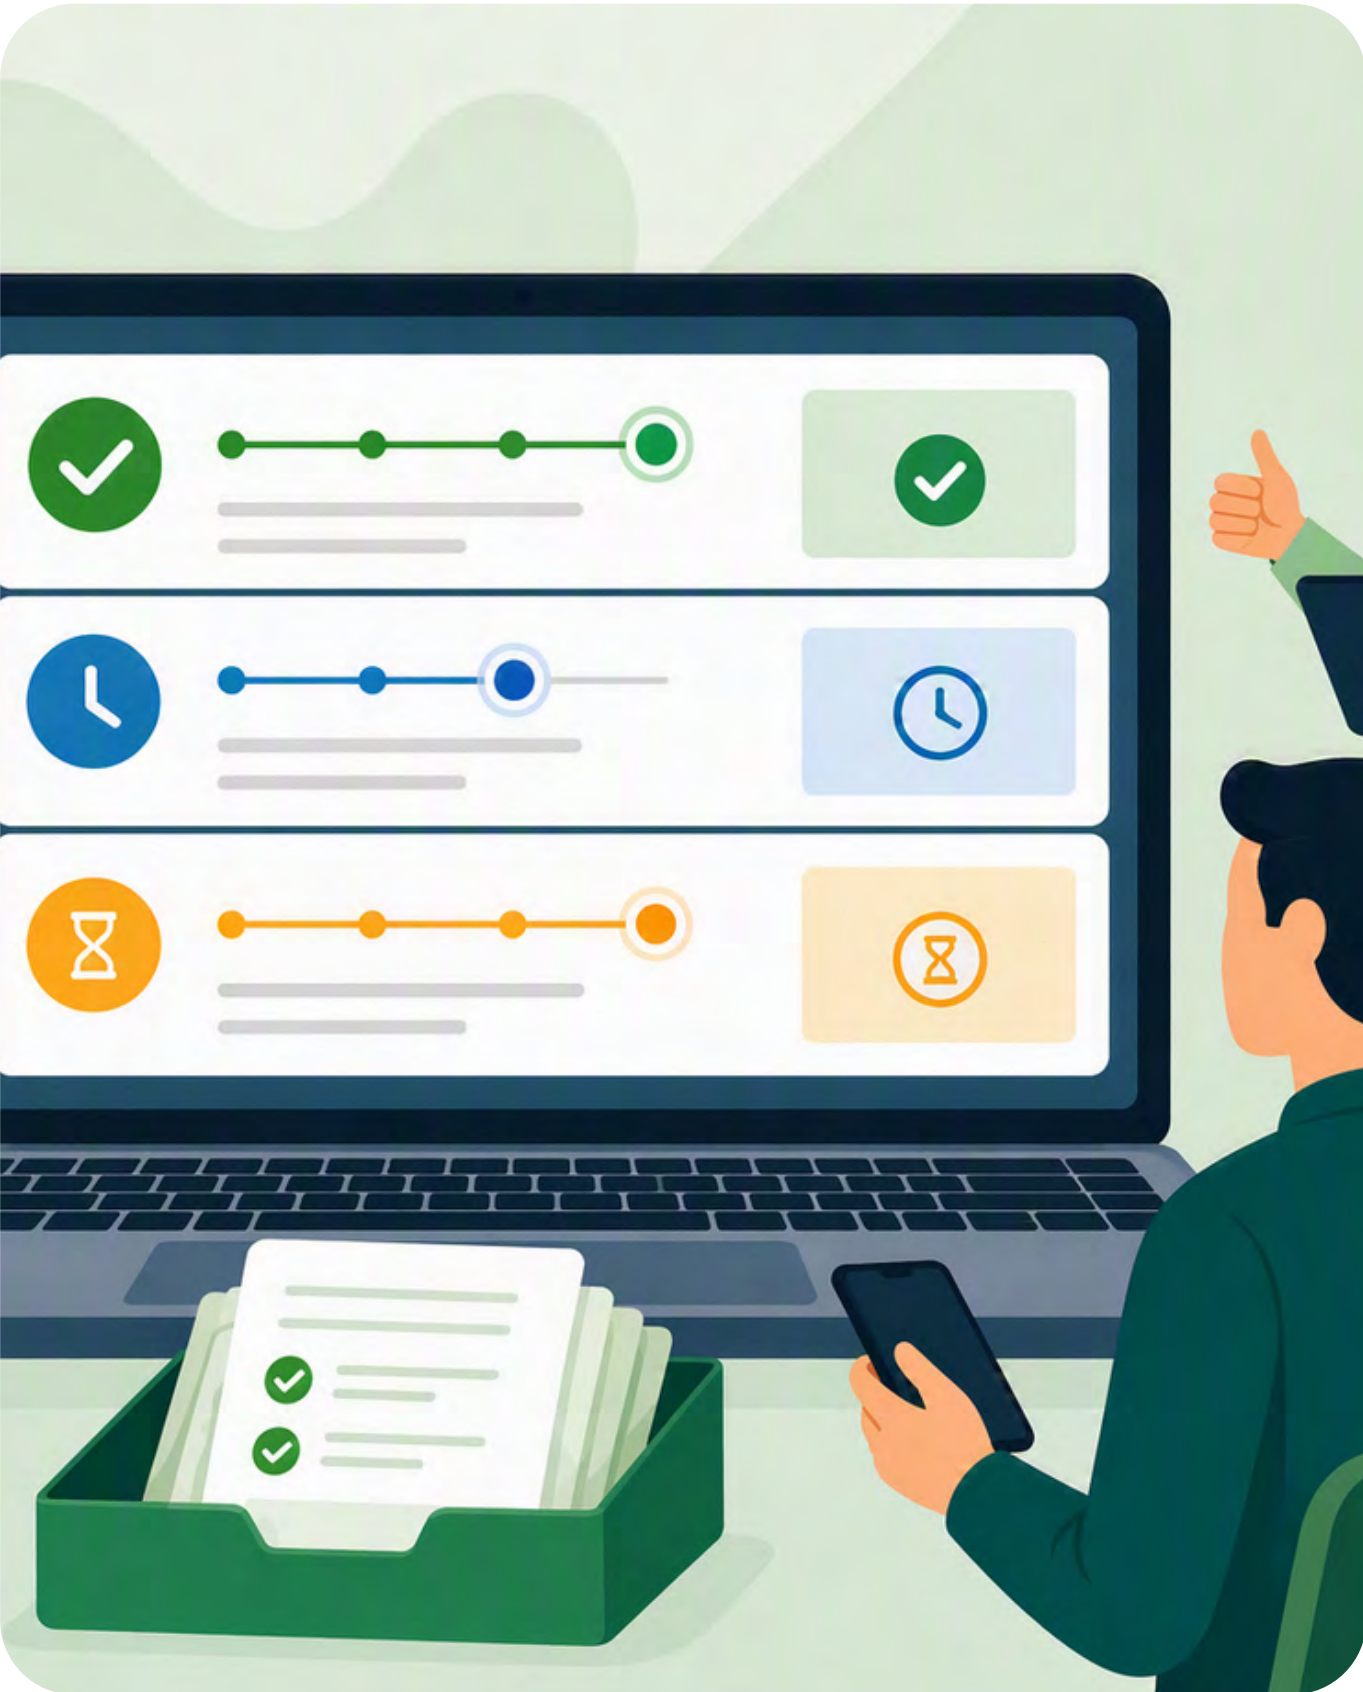

IRAS' self-service digital tools for Corporate Income Tax (CIT)

Stage 1

Pre-filing

Get started on the right foot

Filing Obligations Checker

Find out when your company has to file its first CIT return via the IRAS Bot.

For companies unsure about their filing obligations

go.gov.sg/companiestaxfiling

Request for Income Tax Return

Request your first CIT return if it is not available in myTax Portal.

For companies filing their first CIT return

go.gov.sg/req-first-citr

Record Keeping Assistant

Organise records in line with Form C-S (Lite) requirements throughout the year.

For companies maintaining their records for CIT filing

go.gov.sg/iras-rka

Stage 2

Preparation & filing

File with greater clarity and confidence

e-Learning Webinar Series

Learn key CIT topics, including record keeping, filing requirements and common tax adjustments.

For companies looking for guidance on CIT

go.gov.sg/cit-webinar-series

Business Expense Deductibility Checker

Check whether your business expenses are tax-deductible.

For companies unsure if an expense is tax-deductible

go.gov.sg/iras-ctexpense-checker

Basic Tax Calculator

Prepare your tax computation and schedules, and map figures into your CIT return.

For companies preparing their tax computation

go.gov.sg/bctc

myTax Portal Troubleshooting Assistant

Get instant step-by-step troubleshooting guidance on common login and access matters.

For companies having trouble accessing myTax Portal

go.gov.sg/iras-cit-mtp-selfhelp

Stage 3

Post-filing

Stay informed after submission

Filing & Assessment Status Checker

Check the processing status of your CIT return via the IRAS Bot.

For companies awaiting their filing or assessment status

go.gov.sg/iras-cit-status-check

Payment Status Checker

Understand payment processing timelines and what to do if payment is not reflected.

For companies checking on their tax payment status

go.gov.sg/iras-cit-pymt-check

Objection Status Checker

Track your objection or revision status and view expected processing timelines via the IRAS Bot.

For companies with an objection or revision in progress

go.gov.sg/iras-cit-status-check
