

Extension of Jobs Growth Incentive (JGI)

Oct 2022 – Mar 2023

As businesses continue to face challenges amid rising inflation, the JGI will be extended for another **six months** to sustain support for employers who hire vulnerable workers.

NEW Phase 5

Qualifying Window:
Oct 2022 – Mar 2023

Employers **must** meet both criteria below:

1. Increase overall local workforce size from baseline headcount in Sep 2022; and
2. Increase local workforce size earning at least \$1,400 in gross monthly wages as compared to Sep 2022

The qualifying window will be further extended for vulnerable workers, with tapered support levels given the improving labour market conditions.

Eligible employers who hire new locals during the extended qualifying window will receive the following support:

Profile of new hire

- ✓ Mature (≥ 40 years old) and not in work for at least 6 months
- ✓ Persons with Disabilities
- ✓ Ex-offenders

To receive wage support

**First
6 months**

20%

of first \$6,000 of gross monthly wages

Employers who are eligible for JGI Phase 5 will automatically receive their JGI payouts. The first disbursement is in June 2023 based on CPF contributions for work done in Oct 2022 to Feb 2023. The subsequent payouts will resume at a quarterly frequency
