   i. It was paid in the year 2019; or  
   ii. It was paid/is payable to the employee in Singapore or outside Singapore.  
2) Gross salary should:  
   i. Include remuneration paid by overseas employers to employees performing personal services in Singapore and maternity leave payments for working mothers; and  
   ii. Exclude NSmen Pay paid directly to employees by Mindef, Singapore Civil Defence Force or Singapore Police Force. If the NSmen pay was reimbursed to your company, report the full remuneration in the Form IR8A. |
| b) Bonus | Bonuses are assessed in the year that an employee becomes entitled to the bonuses:

For examples of when bonuses are to be declared, refer to www.iras.gov.sg> Individuals> Locals> What is Taxable, What is Not> Income from Employment> Salary, Bonus, Director’s Fee, Commission and Others. |
c) Director’s Fees

Director’s fees are assessed in the year that a director becomes entitled to the fees.

For director’s fees that are approved in arrears (e.g. approved in 2019 after a director has rendered the requisite services for the accounting year ended 31 Dec 2018), the director is generally entitled to the director’s fees on the date the fees are voted and approved at the company’s Annual General Meeting or Extraordinary General Meeting (“AGM/E GM”).

For director’s fees that are approved in advance (e.g. approved in 2019 before a director has rendered the requisite services for the accounting year ending 31 Dec 2019), the director is not entitled to the director’s fees on date of AGM/E GM. Instead, he is entitled to the director’s fees as and when he renders his services for the accounting year ending 31 Dec 2019. For example, the director would be entitled to director’s fees on a monthly basis if he can enforce the payment of director’s fees on a monthly basis.

Where the company held:

i. More than one meeting during the calendar year to approve payments of director’s fees for the same accounting year, enter the date of approval of the last held meeting; or

ii.
