

List of Supporting Payroll Software Vendors for the Auto-Inclusion Scheme (AIS) for Employment Income (as of 30 Jan 2018)

Below is the list of supporting payroll software vendors whose software can generate file(s)/ record(s) in the required format for the Year of Assessment 2018, and the file(s) can be submitted using the [Validation and Submission Application and/ or API directly](#). Vendors are to fulfil the [requirements](#) before they are included to the list.

Please note that the list is solely for reference purposes.

To check if your current payroll software supports IRAS' file format/ specifications, or to obtain the steps to generate the file for e-submission using your software, please contact your vendor directly.

Things to note when selecting software from this list:

- IRAS only validates the format of the TXT/ XML file generated from the payroll software and/ or the API format of the employment income information submitted, to ensure that it can be accepted by IRAS' system. IRAS do not validate the payroll software itself.
- Employers should evaluate the controls that the payroll software have. Refer to the "[List of Controls for Payroll Software](#)" on IRAS website.
- Employers should exercise due care when purchasing/ using the payroll software and where appropriate, seek professional advice. When making the purchase, employers may wish to take into consideration maintenance costs e.g. cost on system upgrade for legislative changes, change in CPF contribution rate etc. and ease of use.
- Employers may wish to note that IRAS provides free online and offline software for AIS submission.
- IRAS will not be liable for any losses or damages, loss of income, profit or savings, or indirect, incidental, special, or consequential or punitive damages arising from or in connection with the use of any of the payroll software purchased from the list of vendors.

Disclaimer:

The engagement of the Payroll Vendors is strictly on a private basis between the company and the vendors. If there is disagreement on the pricing, schedule or service, both parties are advised to resolve the matter between themselves or seek assistance through CASE or the Small Claims Tribunals. Alternatively, they could seek remedy through court proceedings.

The listing of payroll vendors is not to be taken as any form of endorsement or recommendation by IRAS. IRAS assumes no responsibility or liability for the pricing, schedule or any other unsatisfactory service rendered by the vendor.

IRAS disclaims liability of any kind arising directly or indirectly from the use of the information in the published list of payroll vendors or any loss or damage, howsoever caused as a result of such use, including but not limited to any damage or loss suffered as a result of reliance on the contents contained in the said list.
