1 RECEIVING FILING NOTIFICATION

I have received filing notification from IRAS. What should I do?

Here's an explanation of the different types of filing notifications sent by IRAS:

Filing Notification Type 1

File your 2025 tax return from 1 Mar to 18 April at IRAS myTax Portal.

What should you do?

You must log in to [myTax Portal](#) using your Singpass to submit your income tax filing.

Filing Notification Type 2 No-Filing Service (NFS)

SXXXX567A: You are under the No-Filing Service for 2025. Do CHECK your pre-filled income and relief claims in your 2025 tax return at IRAS myTax Portal from 1 Mar to 18 Apr. If there are changes to be made, you need to file a 2025 tax return by 18 Apr. If there are no changes to be made, your tax bill will be finalised based on the pre-filled information.

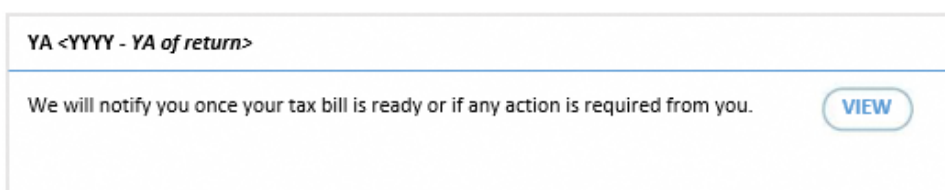

What should you do?

You can log in to [myTax Portal](#) between 1 Mar and 18 Apr to verify the auto-included information (e.g., Income and Pre-filled Reliefs) and make the necessary filing changes. You are not required to file if there are no changes to be made.

I have not received any notification to file, do I need to file?

You may check your notification in [myTax Portal](#).

If you receive a message saying **“We will notify you once your tax bill is ready or if any action is required from you”**:

- No action is required from you at the moment.
- IRAS will inform you if any action is required from you.
- Otherwise, your Notice of Assessment will be finalised based on your income provided by your employer and previous year's relief claim.

Do I need to do anything if my employer said that they have filed for me?

Your employer is under Auto-Inclusion Scheme (AIS) and has transmitted your income information to IRAS. The income information will be pre-filled in your tax filing.

However, this does not imply that employer has filed on your behalf as you are required to submit your tax filing if you have received the Filing Notification Type 1 above informing you to do so.

FILING

When is the filing period?

The filing period for income earned in 2024 (for Year of Assessment 2025) is between **1 Mar 2025 and 18 Apr 2025**.
