About Validation and Submission Application

- 1. The Validation and Submission Application is a free software provided by IRAS for employers under the Auto-Inclusion Scheme (AIS) to prepare and submit their employees' income information to IRAS electronically.
- 2. It allows employers who are using a supporting payroll software, to validate and submit files (.txt or .xml) generated from their payroll software.
- 3. The Validation and Submission Application will be decommissioned by calendar year 2023. You are strongly encouraged to use payroll software supporting direct AIS submissions to IRAS. Explore payroll software supporting direct AIS submissions via API at <u>IRAS website</u>.
