Currently, the TRS is only available to tourists who are departing Singapore with their goods via Changi International Airport or Seletar Airport, subject to the eligibility and conditions of the scheme.

A10: No. There is no limit to the amount of GST refund a tourist can claim.

**Q11: Do all shops in Singapore offer GST refund for their goods?**

A11: No. Participation in the TRS is voluntary. Only retailers who participate in the scheme will be able to issue eTRS transactions for tourists that purchased goods from them.

**Q12: What should the tourist do at the point of purchase if he wishes to seek a GST refund on his purchases?**

A12: The tourist should inform the retailer that he wishes to seek a GST refund on his purchases. He will be required to present his passport as proof of his eligibility under the scheme.

The retailer must issue a transaction in the eTRS system and issue the original receipt/invoice to the tourist. The details of the tourist's passport and purchases will be used for the retailers to issue eTRS transactions. As such, the tourist's passport will be able to retrieve these purchases subsequently at the airport when claiming.

The tourist may verify the issuance of the transactions for his purchases by registering and logging into the eTRS e-Services, <https://touristrefund.sg>, or via the "eTRS" application downloadable from Google Play or Apple App Store.

**Q13: How does the tourist know which retailers are participating in the TRS?**

A13: Retailers who participate in the TRS will display a "Tax Free" shopping logo or sign at their retail shops. Tourists are advised to look out for this sign or check with the retailers if they are participating in the scheme.

**Q14: The retailer did not issue a transaction in the eTRS system. The tourist was told that he can get the refund at the airport. Is this true?**

A14: No. The eTRS transaction can only be issued by retailers at the point of purchase. No other agencies, including Singapore Customs, are authorised to issue the transaction in the eTRS system.

**Q15: Should a tourist submit his application for a refund under the TRS before or after immigration clearance?**

A15: For bulky goods or goods to be checked-in, the refund must be claimed before check-in. For small and high-value goods (e.g. jewelleries) that can be hand-carried, the tourist should claim the refund after immigration clearance.

Please note that in both instances, Singapore Customs reserves the right to inspect the goods before processing the refund.

**Q16: How does the tourist apply for his GST refund claims?**

A16: If the tourist has purchased goods from retailers participating in the TRS, the tourist's transactions will be issued into the eTRS system. On the day of his departure from Singapore, the tourist must bring the original receipts/invoices, goods and other supporting documents (e.g. passport and travel documents) to the designated GST Refund area in Changi International Airport or Seletar Airport. At the designated GST Refund area, the tourist can apply for his GST refund using the self-help kiosk. A summary of his claims will be displayed on the kiosk once the application process has been completed. Tourists must check the status of their claims shown on the kiosk and read the instructions before leaving the designated GST Refund area. If physical inspection of the goods is required, instructions will be printed on a slip to inform the tourist to proceed to Customs Inspection counter for goods verification. If no physical inspection is required, the tourist's claim will be approved and displayed on the kiosk.

**Q17: How will the refund be made to the tourist?**

A17: For departure via Changi International Airport, the refund will be made to the tourist by either credit card, cash or Alipay. For departure via Seletar Airport, the refund will be made to the tourist by either credit card, bank cheque or Alipay.

If the tourist chooses credit card refund, the refund will be paid to his specified credit card within 10 days.

**Q19: How much refund will the tourist be getting?**

A19: The Central Refund Agencies whom the participating retailers are affiliated with will charge a handling/administrative fee for their refund services. The fee is deducted from the GST amount due to the tourist and hence the tourist will not receive the full amount of GST as refund.

**Q20: Does the tourist have to pay GST if he brings the goods back into Singapore on another trip?**

A20: GST is payable for all goods imported into Singapore. However, the tourist is entitled to GST relief of \$500 (if he has been away from Singapore for 48 hours or more) or \$100 (if he has been away from Singapore for less than 48 hours) provided that the goods are for his personal use/consumption. The tourist has to declare to Singapore Customs if he is carrying goods exceeding this relief.

**Q21: If the tourist fails to get endorsement/approval for refund in Singapore, can he get the endorsement/approval from other countries' authorities?**

A21: No. The tourist should get the endorsement/approval of his GST refund under the TRS before he departs from Singapore. Endorsements from overseas authorities cannot be accepted and will not be processed for refund.

**Q22: The tourist's refund claims for a television set has been approved. However, he has decided to give the television to his son who is working in Singapore. Is he allowed to do that?**

A22: No. Once an application for GST refund under the TRS has been approved, the tourist is not allowed to take the goods out of the departure hall or pass the goods to another person. These acts constitute serious offences which attract penalties.

**Q23: I have made purchases prior to 4 Apr 2019 where I have been issued with eTRS tickets. How do I claim these purchases with my purchases made on or after 4 Apr 2019?**

A23: eTRS tickets are not issued for purchases made on or after 4 Apr 2019. Any purchases made from 4 Feb 2019 to 3 Apr 2019 (start and end dates inclusive) with eTRS tickets issued will also be automatically retrieved when you scan your passport at the kiosk. Please contact your respective retailer(s) in the event such purchases are not retrieved at the kiosk.
