

**GENERAL OVERVIEW OF WITHHOLDING TAX ON INCOME DEEMED TO BE SOURCED IN SINGAPORE UNDER SECTIONS 12(6) AND 12(7) OF THE INCOME TAX ACT**

<sup>1</sup> Examples of Business Profits Article can be found in Article 5 of Australia DTA and Article 7 of China DTA. Where payments for labour or personal services are excluded from the Business Profits Article of the DTA (Australia\*, Pakistan, South Korea, Sweden and Taiwan), the income will be subject to tax at the prevailing corporate tax rate regardless whether the services were provided through a PE in Singapore.

*\*With effect from 1 May 2018, the income derived by a non-individual (e.g. company) tax resident in Australia from the provision of services in Singapore through employees or other personnel engaged by the non-individual would be considered as profits of an enterprise and Articles 4 and 5 would be the applicable articles. Consequently, the service income will only be subject to tax in Singapore if the provision of services constitutes a PE in Singapore under the provisions of Article 4 of the Singapore-Australia DTA. This means that no withholding tax is applicable on the service income if there is no PE in Singapore. For more information, please refer to footnote 1 of Article 2 of the [DTA](#) which documents the mutual agreement reached by the competent authorities of Singapore and Australia.*

<sup>2</sup> Permanent Establishment (PE) is defined for in DTAs e.g. in Article 4 of Australia DTA and Article 5 of China DTA.
