ARTICLE 4 – RESIDENT

(1) For the purposes of this Agreement, the term "resident of a Contracting State" means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that State and any political subdivision, local authority or statutory body thereof.

(2) Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:

(5) Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

(6) An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

(7) The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6 – INCOME FROM IMMOVABLE PROPERTY

(1) Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.

(2) The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. (4) The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

ARTICLE 7 – BUSINESS PROFITS

(1) The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

(2) Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

(3) In determining the profits of a permanent establishment, there shall be allowed as deductions all expenses, including executive and general administrative expenses, which would be deductible if the permanent establishment were an independent enterprise, insofar as they are reasonably allocable to the permanent establishment, whether incurred in the Contracting State in which the permanent establishment is situated or elsewhere.

(4) No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

(5) Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8 – SHIPPING, INLAND WATERWAYS TRANSPORT AND AIR TRANSPORT

(1) Profits of an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.

- (a) profits from the rental on a bareboat basis of ships and aircraft; and
- (b) profits from the use, maintenance or rental of containers (including trailers and related equipment for the transport of containers), used for the transport of goods or merchandise;

where such rental or such use, maintenance or rental, as the case may be, is incidental to the operation of ships or aircraft in international traffic.

(4) The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

ARTICLE 9 – ASSOCIATED ENTERPRISES

(1) Where

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

(2) Where a Contracting State includes, in accordance with the provisions of paragraph 1, in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and where the competent authorities of the Contracting States agree, upon consultation, that all or part of the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those agreed profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement.

ARTICLE 10 – DIVIDENDS

(1) Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

(2) (a) However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the dividends.

(b) If the beneficial owner is a company (other than a partnership) which holds directly at least 10 per cent of the capital of the company paying the dividends, such dividends shall be taxable only in the Contracting State of which the beneficial owner of the dividends is a resident.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

(3) Notwithstanding the provisions of paragraph 2, dividends paid by a company which is a resident of a Contracting State to the Government of the other Contracting State shall be exempt from tax in the first-mentioned State.

(a) in the case of Austria, means the Government of Austria and shall include:

(6) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(7) Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

(8) Under the current Singapore laws, where dividends are paid by a company which is a resident of Singapore to a resident of Austria who is the beneficial owner of such dividends, there is no tax in Singapore which is chargeable on dividends in addition to the tax chargeable in respect of the profits or income of the company. Under the full imputation system adopted, the tax deductible from dividends is a tax on the profits or income of the company and not a tax on dividends within the meaning of this Article.

ARTICLE 11 – INTEREST

- (1) Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.
- (2) However, such interest may also be taxed in the Contracting State in which it arises and according to the laws of that State, but if the beneficial owner of the interest is a resident of the other Contracting State, the tax so charged shall not exceed 5 per cent of the gross amount of the interest.

Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

(6) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(7) Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(8) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12 – ROYALTIES

(1) Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such royalties may also be taxed in the Contracting State in which they arise and according to the laws of that State, but if the beneficial owner of the royalties is a resident of the other Contracting State, the tax so charged shall not exceed 5 per cent of the gross amount of the royalties.

(3) The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, and films or tapes for radio or television broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience.

(4) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(5) Royalties shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(6) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. Where such income is a dividend paid by a company which is a resident of Austria to a resident of Singapore which is a company owning directly or indirectly not less than 10 per cent of the share capital of the first-mentioned company, the credit shall take into account the Austrian tax paid by that company on the portion of its profits out of which the dividend is paid.

- (1) Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.
- (2) The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.
- (3) Nothing in this Article shall be construed as obliging a Contracting State to grant to
 - (a) residents of the other Contracting State any personal allowances, reliefs and reductions for tax purposes which it grants to its own residents; or
 - (b) nationals of the other Contracting State those personal allowances, reliefs and reductions for tax purposes which it grants to its own nationals who are not resident in that Contracting State or to such other persons as may be specified in the taxation laws of that Contracting State.
- (4) Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.
- (5) In this Article, the term "taxation" means taxes which are the subject of this Agreement.

ARTICLE 24 – MUTUAL AGREEMENT PROCEDURE

(1) Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 23, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

(2) The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

(3) The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

(4) The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

ARTICLE 25 – EXCHANGE OF INFORMATION

(1) The competent authorities of the Contracting States shall exchange such information as is relevant for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by the Agreement insofar as the taxation thereunder is not contrary to the Agreement. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

(2) In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (ordre public).

ARTICLE 26 – MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

ARTICLE 27 – ENTRY INTO FORCE

(1) Each of the Contracting States shall notify to the other the completion of the procedures required by its law for the bringing into force of this Agreement.

(2) The Agreement shall enter into force on the date of receipt of the later of these notifications and shall thereupon have effect in respect of taxes on income relating to the calendar year (including accounting periods beginning in any such year) next following that in which the Agreement enters into force and subsequent years.

ARTICLE 28 – TERMINATION

This Agreement shall remain in force indefinitely, but either of the Contracting States may, on or before 30th June in any calendar year beginning after the expiration of a period of five years from the date of its entry into force, give to the other Contracting State, through the diplomatic channels, written notice of termination. In such event, the Agreement shall cease to have effect in respect of taxes on income relating to the calendar year (including accounting periods beginning in any such year) next following that in which the notice is given and subsequent years.

IN WITNESS WHEREOF the Plenipotentiaries of the two Contracting States, duly authorised thereto, have signed this Agreement.

ANNEX A

Effects of the MLI on this Agreement

1. Deletion and replacement of the Preamble

The preamble of this Agreement is deleted and replaced by the following preamble:

“The Government of the Republic of Singapore and the Government of the Republic of Austria,

Intending to eliminate double taxation with respect to the taxes covered by this Agreement without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this Agreement for the indirect benefit of residents of third jurisdictions),

Have agreed as follows:”.

2. Amendment of Article 9

Paragraph 2 of Article 9 (Associated Enterprises) of this Agreement is deleted and replaced by the following paragraph:

“(2) Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.”.

3. New Articles 24A to 24H (arbitration provisions)

The following articles shall be inserted immediately after Article 24 (Mutual Agreement Procedure). However, the articles shall not apply to this Agreement if a Contracting State raises an objection under Article 28(2)(b) of the MLI to the reservations that had been made by the other Contracting State under Article 28(2)(a) of the MLI. Such an objection may be raised by:

- (a) Singapore, by 21 December 2018; or
- (b) Austria, by 20 December 2019.

“ARTICLE 24A – MANDATORY BINDING ARBITRATION

(1) Where:

- (a) under Article 24 (Mutual Agreement Procedure), a person has presented a case to the competent authority of a Contracting State on the basis that the actions of one or both of the Contracting States have resulted for that person in taxation not in accordance with the provisions of the Agreement; and
- (b) the competent authorities are unable to reach an agreement to resolve that case pursuant to Article 24 (Mutual Agreement Procedure) within a period of three years beginning on the start date referred to in paragraph (8) or (9), as the case may be (unless, prior to the expiration of that period the competent authorities of the Contracting States have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in this Article and Articles 24B to 24H, according to any rules or procedures agreed upon by the competent authorities of the Contracting States pursuant to the provisions of paragraph (10).

(2) Where a competent authority has suspended the mutual agreement procedure referred to in paragraph (1) because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in sub-paragraph (b) of paragraph (1) will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in sub-paragraph (b) of paragraph (1) will stop running until the suspension has been lifted.

(3) Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in sub-paragraph (b) of paragraph (1), the period provided in sub-paragraph (b) of paragraph (1) shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

- (4) (a) The arbitration decision with respect to the issues submitted to arbitration shall be implemented through the mutual agreement concerning the case referred to in paragraph (1). The arbitration decision shall be final.
- (b) The arbitration decision shall be binding on both Contracting States except in the following cases:
 - (i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues

resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

- (ii) if a final decision of the courts of one of the Contracting States holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph (1) shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 24C (Confidentiality of Arbitration Proceedings) and 24G (Costs of Arbitration Proceedings)). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.
- (iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

(5) The competent authority that received the initial request for a mutual agreement procedure as described in sub-paragraph (a) of paragraph (1) shall, within two calendar months of receiving the request:

- (a) send a notification to the person who presented the case that it has received the request; and
- (b) send a notification of that request, along with a copy of the request, to the competent authority of the other Contracting State.

(6) Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other Contracting State) it shall either:

- (a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- (b) request additional information from that person for that purpose.

(7) Where pursuant to sub-paragraph (b) of paragraph (6), one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- (a) that it has received the requested information; or
- (b) that some of the requested information is still missing.

(8) Where neither competent authority has requested additional information pursuant to sub-paragraph (b) of paragraph (6), the start date referred to in paragraph (1) shall be the earlier of:

- (a) the date on which both competent authorities have notified the person who presented the case pursuant to sub-paragraph (a) of paragraph (6); and

- (b) the date that is three calendar months after the notification to the competent authority of the other Contracting State pursuant to sub-paragraph (b) of paragraph (5).

(9) Where additional information has been requested pursuant to sub-paragraph (b) of paragraph (6), the start date referred to in paragraph (1) shall be the earlier of:

- (a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to sub-paragraph (a) of paragraph (7); and
- (b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in sub-paragraph (b) of paragraph (7), such notification shall be treated as a request for additional information under sub-paragraph (b) of paragraph (6).

(10) The competent authorities of the Contracting States shall by mutual agreement (pursuant to Article 24 (Mutual Agreement Procedure)) settle the mode of application of the provisions contained in this Article and Articles 24B to 24H, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

(11) Notwithstanding the preceding paragraphs of this Article:

- (a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by this Agreement shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either Contracting State;
- (b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a decision concerning the issue is rendered by a court or administrative tribunal of one of the Contracting States, the arbitration process shall terminate.

(12) The provisions of this Article and Articles 24B to 24H shall not apply —

- (a) to any case involving the application of Singapore's general anti-avoidance rules contained in section 33 of the Act, case law or judicial doctrines, and any subsequent provisions (as notified by Singapore to the Depository of the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting done at Paris on 24 November 2016 (as amended from time to time)) that replace, amend or update these anti-avoidance rules;
- (b) to any case involving the application of Austria's general anti-avoidance rules contained in the Federal Fiscal Code ("Bundesabgabenordnung"), in particular its sections 21 and 22, and any subsequent provisions (as notified by Austria to the Depository of the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and

Profit Shifting done at Paris on 24 November 2016 (as amended from time to time)) that replace, amend or update these anti-avoidance rules; and

- (c) to any case involving the application of any provisions of Singapore's law (including legislative provisions, case law, judicial doctrines and penalties) that are analogous to those governing the cases in subparagraph (b), including any subsequent provisions which replace, amend or update those provisions. The competent authority of Singapore will consult with the competent authority of Austria in order to specify any such analogous provisions which exist under Singapore law pursuant to paragraph 10.

(13) This Article and Articles 24B to 24H —

- (a) shall have effect with respect to cases presented to the competent authority of a Contracting State under Article 24 on or after 1 April 2019; and
- (b) shall apply to a case presented to the competent authority of a Contracting State under Article 24 prior to 1 April 2019 only to the extent that the competent authorities of both Contracting States agree that it will apply to that specific case.

ARTICLE 24B – APPOINTMENT OF ARBITRATORS

(1) Except to the extent that the competent authorities of the Contracting States mutually agree on different rules, paragraphs (2) through (4) shall apply for the purposes of Articles 24A to 24H.

(2) The following rules shall govern the appointment of the members of an arbitration panel:

- (a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.
- (b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph (1) of Article 24A (Mandatory Binding Arbitration). The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a national or resident of either Contracting State.
- (c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the Contracting States and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

(3) In the event that the competent authority of a Contracting State fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph (2) or agreed to by the competent authorities of the Contracting States, a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

(4) If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph (2) or agreed to by the competent authorities of the Contracting States, the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

ARTICLE 24C – CONFIDENTIALITY OF ARBITRATION PROCEEDINGS

(1) Solely for the purposes of the application of Articles 24A to 24H and 25 and of the provisions of the domestic laws of the Contracting States related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under Article 25 (Exchange of Information).

(2) The competent authorities of the Contracting States shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations in Article 25 (Exchange of Information) and under the applicable laws of the Contracting States.

ARTICLE 24D – RESOLUTION OF A CASE PRIOR TO THE CONCLUSION OF THE ARBITRATION

For the purposes of Articles 24 and 24A to 24H, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States:

- (a) the competent authorities of the Contracting States reach a mutual agreement to resolve the case; or
- (b) the person who presented the case withdraws the request for arbitration or the request for a mutual agreement procedure.

ARTICLE 24E – TYPE OF ARBITRATION PROCESS

(1) Except to the extent that the competent authorities of the Contracting States mutually agree on different rules, the following rules shall apply with respect to an arbitration proceeding pursuant to Articles 24A to 24H:

- (a) After a case is submitted to arbitration, the competent authority of each Contracting State shall submit to the arbitration panel, by a date set by agreement, a proposed resolution which addresses all unresolved issue(s) in the case (taking into account all agreements previously reached in that case between the competent authorities of the Contracting States). The proposed resolution shall be limited to a disposition of specific monetary amounts (for example, of income or expense) or, where specified, the maximum rate of tax charged

pursuant to the Agreement, for each adjustment or similar issue in the case. In a case in which the competent authorities of the Contracting States have been unable to reach agreement on an issue regarding the conditions for application of a provision of the Agreement (hereinafter referred to as a “threshold question”), such as whether an individual is a resident or whether a permanent establishment exists, the competent authorities may submit alternative proposed resolutions with respect to issues the determination of which is contingent on resolution of such threshold questions.

- (b) The competent authority of each Contracting State may also submit a supporting position paper for consideration by the arbitration panel. Each competent authority that submits a proposed resolution or supporting position paper shall provide a copy to the other competent authority by the date on which the proposed resolution and supporting position paper were due. Each competent authority may also submit to the arbitration panel, by a date set by agreement, a reply submission with respect to the proposed resolution and supporting position paper submitted by the other competent authority. A copy of any reply submission shall be provided to the other competent authority by the date on which the reply submission was due.
- (c) The arbitration panel shall select as its decision one of the proposed resolutions for the case submitted by the competent authorities with respect to each issue and any threshold questions, and shall not include a rationale or any other explanation of the decision. The arbitration decision will be adopted by a simple majority of the panel members. The arbitration panel shall deliver its decision in writing to the competent authorities of the Contracting States. The arbitration decision shall have no precedential value.

(2) Prior to the beginning of arbitration proceedings, the competent authorities of the Contracting States shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under Article 24, as well as the arbitration proceeding under Articles 24A to 24H, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a person that presented the case or one of that person’s advisors materially breaches that agreement.

ARTICLE 24F – AGREEMENT ON A DIFFERENT RESOLUTION

Notwithstanding paragraph (4) of Article 24A (Mandatory Binding Arbitration), an arbitration decision pursuant to Articles 24A to 24H shall not be binding on the Contracting States and shall not be implemented if the competent authorities of the Contracting States agree on a different resolution of all unresolved issues within three calendar months after the arbitration decision has been delivered to them.

ARTICLE 24G – COSTS OF ARBITRATION PROCEEDINGS

In an arbitration proceeding under Articles 24A to 24H, the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the Contracting States, shall be borne by the Contracting States in a manner to be settled by mutual agreement between the competent authorities of the Contracting States. In the absence of such agreement,

each Contracting State shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the Contracting States in equal shares.

ARTICLE 24H – COMPATIBILITY

(1) Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in this Article and Articles 24A to 24G shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

(2) Nothing in this Article and Articles 24A to 24G shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the Contracting States are or will become parties.”

4. New Article 26A

The following new Article 26A is inserted immediately after Article 26 (Members of Diplomatic Missions and Consular Posts):

“ARTICLE 26A – PREVENTION OF TREATY ABUSE

Notwithstanding any provisions of this Agreement, a benefit under this Agreement shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of this Agreement.”.

5. Entry into effect of the MLI

The effects of the MLI on this Agreement, as laid out in this Annex, shall have effect in Singapore:

- (a) for paragraph 3 of this Annex on the arbitration provisions, with respect to any tax paid, deemed paid or liable to be paid, before, on or after 1 April 2019;
- (b) for all other paragraphs in this Annex:
 - (i) with respect to taxes withheld at source, in respect of amounts paid, deemed paid or liable to be paid (whichever is the earliest), on or after 1 January 2020; and
 - (ii) with respect to taxes other than those withheld at source, where the income is derived or received in a basis period beginning on or after 1 October 2019.

ANNEX B

PROTOCOL AMENDING THE AGREEMENT BETWEEN THE GOVERNMENT OF THE REPUBLIC OF SINGAPORE AND THE GOVERNMENT OF THE REPUBLIC OF AUSTRIA FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH RESPECT TO TAXES ON INCOME

The Government of the Republic of Singapore and the Government of the Republic of Austria,

Desiring to conclude a Protocol amending the Agreement between the Government of the Republic of Singapore and the Government of the Republic of Austria for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income signed at Vienna on 30 November 2001 (hereinafter referred to as “the Agreement”),

Have agreed as follows:

ARTICLE 1

Article 25 of the Agreement shall be deleted and replaced by the following:

“ARTICLE 25 – EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.

2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.”

ARTICLE 2

The Contracting States shall notify each other through diplomatic channels that all legal procedures for the entry into force of this Protocol have been completed. The Protocol shall enter into force on the first day of the third month next following the date of the receipt of the latter of the notifications referred to above. The provisions of this Protocol shall have effect in respect of taxes relating to taxable periods beginning on or after 1 January of the calendar year next following the year of the entry into force of this Protocol.

ARTICLE 3

This Protocol, which shall form an integral part of the Agreement, shall remain in force as long as the Agreement remains in force and shall apply as long as the Agreement itself is applicable.

IN WITNESS WHEREOF, the undersigned, duly authorised thereto by their respective Governments, have signed this Protocol.

The Republic of Singapore

Excellency,

I have the honor to refer to the Agreement between the Government of the Republic of Austria and the Government of the Republic of Singapore for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income signed at Vienna on 30 November 2001, and the Protocol signed today (hereinafter referred to as "the Agreement") and to propose on behalf of the Government of the Republic of Austria the following understanding:

Ad Article 25:

1. The competent authority of the applicant State shall provide the following information to the competent authority of the requested State when making a request for information under the Agreement to demonstrate the foreseeable relevance of the information to the request:

- (a) the identity of the person under examination or investigation;
