

Corppass Step-by-Step Guide for Foreign Entities - Corporate Tax

INLAND REVENUE
AUTHORITY
OF SINGAPORE

Who should read this guide

- This step-by-step guide is relevant for **foreign entities that are required to file tax returns to IRAS and have already obtained a tax reference number¹ (e.g. A1234567E) from IRAS.**
 - Foreign entities refer to foreign registered entities that are not issued with a Unique Identification Number (UEN) by e.g. ACRA.
- The authorisations shown in this guide are for access to the Corporate Tax digital services in mytax.iras.gov.sg.
 - For authorisation to access other IRAS digital services, the Corppass Admin needs to select the relevant digital services and the 'For Non-UEN Entity Only' digital service instead.

¹ Foreign entities that are required to file tax returns but have not obtained a tax reference number from IRAS may email IRAS at ctmail@iras.gov.sg to provide information on the activities carried out in Singapore and the nature of income derived. IRAS will issue a tax reference number to the foreign entity. We may also seek further clarification, if required.

The screenshot shows the Microsoft Excel interface. The ribbon is set to 'Home'. The worksheet grid shows a blue header row with the text 'Please read the following steps to complete this template:'. Below this, there are five numbered instructions. The worksheet tabs at the bottom are 'Instructions' and 'eServiceAssignments', with 'eServiceAssignments' selected and highlighted with a red box.

1 Please read the following steps to complete this template:

- 1) Select the "eServiceAssignment" worksheet for your completion. Please do not change the name of the worksheet.
- 2) Add authorisations by filling in each row with the required details (one authorisation per row).
- 3) You should only add authorisations for users with an existing Corppass account.
- 4) You may remove authorisations by selecting and deleting the row.
- 5) Verify all authorisation details are accurate and ensure that the required cells (highlighted pink cells) are completed before submission.

Read the instructions and select the 'e-Service Assignments' worksheet.
