1. What is a COR?

A COR is a letter certifying that the company is a tax resident in Singapore for the purpose of claiming benefit under the Avoidance of Double Taxation Agreement (DTA).

2. Who can apply for COR?

A tax resident company in Singapore can apply for the certificate. However, this is not applicable to:

- A **nominee company** as it is not the beneficial owner of the income derived from the treaty country. A nominee company is a company that acts as custodian of shares on behalf of the beneficial owners.
- A **Singapore branch of a foreign company** as the control and management is vested with overseas parent company.

3. How to apply for COR?

With effect from Jun 2017, all COR applications have to be e-Filed via [myTax Portal](#). Except for [specific situations](#), paper applications will no longer be accepted. Please refer to our [user guides](#) if you need help on online application for COR.

The online application for COR may be made for the current Year of Assessment (YA), four back YAs and one future YA. For example, in 2018, the current YA is YA 2018, and the online COR application may be made for YA 2014, YA 2015, YA 2016, YA 2017, YA 2018 and YA 2019.

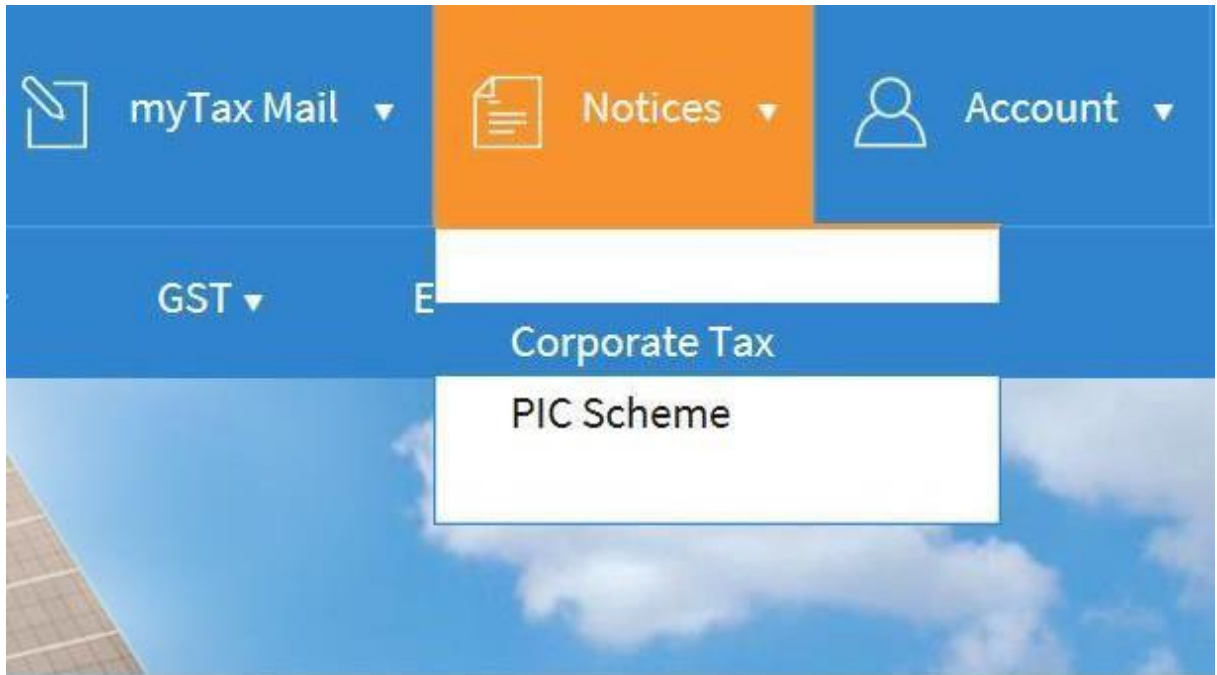

4. Do I need to be authorised before I can make an online application for the COR?

Yes. The company's employee or a third party (e.g. company's appointed tax agent firm) has to be authorised in CorpPass to be able to apply for COR electronically. Please refer to our [user guides](#) if you need assistance on CorpPass setup.

If the employee/ third party is authorised as a **Preparer for "Corporate Tax (Filing and Applications)"** in CorpPass, he can complete the COR application for submission to the Approver. He would not be able to submit the application directly to IRAS.

Only an employee/ third party authorised as an **Approver for "Corporate Tax (Filing and Applications)"** in CorpPass can complete, approve and submit the COR application to IRAS.

Upon successful transmission of your COR application to IRAS, you may view a copy of the e-Filing acknowledgement page at [myTax Portal](#) by selecting Notices > Corporate Tax (see screenshot below).

5. Will the Approver be alerted after the Preparer has submitted the COR application to the Approver for approval?

No, there will be no alert sent and the Preparer will need to inform the Approver.

6. I am a Preparer and need to make some amendments to the COR application after my submission to the Approver. What should I do?

The Approver can retrieve the “Pending Approval” application in [myTax Portal](#) and edit the information before submission to IRAS.

Alternatively, the approver can delete the “Pending Approval” application and the preparer will need to resubmit a new application for approval.

The approval can also prepare and submit an COR application directly to IRAS.

7. How long does it take to obtain the COR?

Online Application

IRAS will process your application **within 7 working days** of receiving the electronic application and mail the COR to the company's registered address. Please allow up to **4 working days** to receive it in your mail.

Once your electronic application is processed (**within 7 working days**), a duplicate copy of the approved COR will be made available in [myTax Portal](#). 8. The application form requires me to state the “Year of Assessment (YA)” in which the COR is required. How should I complete this field?
