ARTICLE 4 - RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting State" means any person who is a resident of a Contracting State in accordance with the taxation laws of that State.

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of the enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

3. A building site or construction, installation or assembly project constitutes a permanent establishment only if it continues for a period of more than 183 days in any fiscal year.

4. An enterprise shall be deemed to have a permanent establishment in a Contracting State and to carry on business through that permanent establishment if it carries on supervisory activities in that Contracting State for a period of more than 183 days in any fiscal year in connection with a building site or construction, installation or assembly project which is being undertaken in that Contracting State.

5. Notwithstanding the provisions of paragraph 3 and 4, an enterprise shall be deemed to have a permanent establishment in a Contracting State and to carry on business through that permanent establishment if it provides services or facilities in that Contracting State for a period of more than 183 days in any fiscal year in connection with the exploration, exploitation or extraction of mineral oils in that Contracting State.

6. An enterprise shall be deemed to have a permanent establishment in a Contracting State if it furnishes service, other than services referred to in paragraphs 4 and 5 of this Article and technical services as defined in Article 12, within a Contracting State through employees or other personnel, but only if:

- (a) activities of that nature continue within that Contracting State for a period or periods aggregating more than 90 days in any fiscal year; or

- (b) activities are performed for a related enterprise (within the meaning of Article 9 of this Agreement) for a period or periods aggregating more than 30 days in any fiscal year.

7. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

- (a) the use of facilities solely for the purpose of storage, display or occasional delivery of goods or merchandise belonging to the enterprise;
- (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or occasional delivery;
- (c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
- (d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or of collecting information, for the enterprise;
- (e) the maintenance of a fixed place of business solely for the purpose of advertising, for the supply of information, for scientific research, or for similar activities which have a preparatory or auxiliary character, for the enterprise.

However, the provisions of subparagraphs (a) to (e) shall not be applicable where the enterprise maintains any other fixed place of business in the other Contracting State through which the business of the enterprise is wholly or partly carried on.

8. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 9 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State that enterprise shall be deemed to have a permanent establishment in the first-mentioned State, if:

- (a) he has and habitually exercises in that State an authority to conclude contracts on behalf of the enterprise, unless his activities are limited to the purchase of goods or merchandise for the enterprise;
- (b) he has no such authority, but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise; or
- (c) he habitually secures orders in the first-mentioned State, wholly or almost wholly for the enterprise itself or for the enterprise and other enterprises controlling, controlled by, or subject to the same common control, as that enterprise.

9. An enterprise of a Contracting State shall not be deemed to have a permanent establishment in the other Contracting State merely because it carries on business in that other State through a broker, general commission agent or any other agent of an independent status provided that such persons are acting in the ordinary course of their business. However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise itself or on behalf of that enterprise and other enterprises controlling, controlled by, or subject to the same common control, as that enterprise, he will not be considered an agent of an independent status within the meaning of this paragraph.

10. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other Contracting State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6 - INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property situated in the other Contracting State may be taxed in that other State.

2. The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources. Ships and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 shall also apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

ARTICLE 7 - BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is directly or indirectly attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment. In any case where the correct amount of profits attributable to a permanent establishment is incapable of determination or the determination thereof presents exceptional difficulties, the profits attributable to the permanent establishment may be estimated on a reasonable basis.

3. In the determination of the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the business of the permanent establishment including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere, in accordance with the provisions of and subject to the limitations of the taxation laws of that State.

4. Insofar as it has been customary in the Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

8. For the purpose of paragraph 1, the term "directly or indirectly attributable to the permanent establishment" includes profits arising from transactions in which the permanent establishment has been involved and such profits shall be regarded as attributable to the permanent establishment to the extent appropriate to the part played by the permanent establishment in those transactions, even if those transactions are made or placed directly with the overseas head office of the enterprise rather than with the permanent establishment.

ARTICLE 8 - SHIPPING AND AIR TRANSPORT

1. Profits derived by an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.
2. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency engaged in the operation of ships or aircraft.
3. Interest on funds connected with the operation of ships or aircraft in international traffic shall be regarded as profits derived from the operation of such ships or aircraft, and the provisions of Article 11 shall not apply in relation to such interest.
4. For the purposes of this Article, profits from the operation of ships or aircraft in international traffic shall mean profits derived from the transportation by sea or air of passengers, mail, livestock or goods carried on by the owners or lessees or charterers of the ships or aircraft, including profits from:
 - (a) the sale of tickets for such transportation on behalf of other enterprises;
 - (b) the incidental lease of ships or aircraft used in such transportation;
 - (c) the use, maintenance or rental of containers (including trailers and related equipment for the transport of containers) in connection with such transportation; and
 - (d) any other activity directly connected with such transportation.

ARTICLE 9 - ASSOCIATED ENTERPRISES

Where -

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

ARTICLE 10 - DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the recipient is the beneficial owner of the dividends, the tax so charged shall not exceed:

- (a) 10% of the gross amount of the dividends if the beneficial owner is a company which owns at least 25% of the shares of the company paying the dividends;
- (b) 15% of the gross amount of the dividends in all other cases.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. Notwithstanding the provisions of paragraph 2 of this Article, as long as Singapore does not impose a tax on dividends in addition to the tax chargeable on the profits or income of a company, dividends paid by a company which is a resident of Singapore to a resident of India shall be exempt from any tax in Singapore which may be chargeable on dividends in addition to the tax chargeable on the profits or income of the company.

4. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7, or Article 14, as the case may be, shall apply.

6. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company except in so far as such dividends are paid to a resident of that other State or so far as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

7.

- (a) Dividends shall be deemed to arise in India if they are paid by a company which is a resident of India.
- (b) Dividends shall be deemed to arise in Singapore:
 - (i) if they are paid by a company which is a resident of Singapore; or

- (ii) if they are paid by a company which is a resident of Malaysia out of profits arising in Singapore and qualifying as dividends arising in Singapore under Article VII of the Agreement for the Avoidance of Double Taxation between Singapore and Malaysia signed on 26th December 1968.

ARTICLE 11 - INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the beneficial owner of the interest is a resident of the other Contracting State, the tax so charged shall not exceed:

- (a) 10% of the gross amount of the interest if such interest is paid on a loan granted by a bank carrying on a bona fide banking business or by a similar financial institution (including an insurance company);
- (b) 15% of the gross amount of the interest in all other cases.

3. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits; and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is that Contracting State itself, a political subdivision, a local authority, a statutory body or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12 - ROYALTIES AND FEES FOR TECHNICAL SERVICES

1. Royalties and fees for technical services arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties and fees for technical services may also be taxed in the Contracting State in which they arise and according to the laws of that State, but if the recipient is the beneficial owner of the royalties or fees for technical services, the tax so charged shall not exceed:

- (a) in the case of royalties referred to in paragraph 3(a) and fees for technical services as defined in this Article (other than services described in subparagraph (b) of this paragraph), 15% of the gross amount of the royalties and fees;
- (b) in the case of royalties referred to in paragraph 3(b) and fees for technical services as defined in this Article that are ancillary and subsidiary to the enjoyment of property for which royalties under paragraph 3(b) are received, 10% of the gross amount of the royalties and fees.

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use:

- (a) any copyright of a literary, artistic or scientific work, including cinematograph films or films or tapes used for radio or television broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for information concerning industrial, commercial or scientific experience, including gains derived from the alienation of any such right, property or information;
- (b) any industrial, commercial or scientific equipment, other than payments derived by an enterprise from activities described in paragraph 4(b) or 4(c) of Article 8.

4. The term "fees for technical services" as used in this Article means payments of any kind to any person in consideration for services of a managerial, technical or consultancy nature (including the provision of such services through technical or other personnel) if such services:

- (a) are ancillary and subsidiary to the application or enjoyment of the right, property or information for which a payment described in paragraph 3 is received; or
- (b) make available technical knowledge, experience, skill, know-how or processes, which enables the person acquiring the services to apply the technology contained therein; or
- (c) consist of the development and transfer of a technical plan or technical design, but excludes any service that does not enable the person acquiring the service to apply the technology contained therein.

For the purposes of (b) and (c) above, the person acquiring the service shall be deemed to include an agent, nominee, or transferee of such person.

5. Notwithstanding paragraph 4, "fees for technical services" does not include payments:

- (a) for services that are ancillary and subsidiary, as well as inextricably and essentially linked, to the sale of property other than a sale described in paragraph 3(a);
- (b) for services that are ancillary and subsidiary to the rental of ships, aircraft, containers or other equipment used in connection with the operation of ships or aircraft in international traffic;
- (c) for teaching in or by educational institutions;
- (d) for services for the personal use of the individual or individuals making the payment;
- (e) to an employee of the person making the payments or to any individual or firm of individuals (other than a company) for professional services as defined in Article 14;
- (f) for services rendered in connection with an installation or structure used for the exploration or exploitation of natural resources referred to in paragraph 2(j) of Article 5;
- (g) for services referred to in paragraphs 4 and 5 of Article 5.

6. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties or fees for technical services, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties or fees for technical services arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right, property or contract in respect of which the royalties or fees for technical services are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

7. Royalties and fees for technical services shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body or a resident of that State. Where, however, the person paying the royalties or fees for technical services, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties or fees for technical services was incurred, and such royalties or fees for technical services are borne by such permanent establishment or fixed base, then such royalties or fees for technical services shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

8. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of royalties or fees for technical services paid exceeds the amount which would have been paid in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 13 - CAPITAL GAINS

1. Gains derived by a resident of a Contracting State from the alienation of immovable property, referred to in Article 6, and situated in the other Contracting State may be taxed in that other State.
2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing independent personal services, including such gains from the alienation of such a permanent establishment (alone or together with the whole enterprise) or of such fixed base, may be taxed in that other State.
3. Gains from the alienation of ships or aircraft operated in international traffic or movable property pertaining to the operation of such ships or aircraft shall be taxable only in the Contracting State of which the alienator is a resident.
4. Gains from the alienation of shares of the capital stock of a company the property of which consists principally, directly or indirectly, of immovable property situated in a Contracting State may be taxed in that State.
5. Gains from the alienation of shares other than those mentioned in paragraph 4 in a company which is a resident of a Contracting State may be taxed in that State.
6. Gains from the alienation of any property other than that mentioned in paragraphs 1, 2, 3, 4 and 5 of this Article and paragraph 3(b) of Article 12 shall be taxable only in the Contracting State of which the alienator is a resident.

ARTICLE 14 - INDEPENDENT PERSONAL SERVICES

1. Income derived by an individual who is a resident of a Contracting State from the performance of professional services or other independent activities of a similar character shall be taxable only in that State except in the following circumstances when such income may also be taxed in the other Contracting State:

- (a) if he has a fixed base regularly available to him in the other Contracting State for the purpose of performing his activities; in that case, only so much of the income as is attributable to that fixed base may be taxed in that other State;
or
- (b) if his stay in the other Contracting State is for a period or periods amounting to or exceeding in the aggregate 90 days in the relevant fiscal year; in that case, only so much of the income as is derived from his activities performed in that other State may be taxed in that other State.

2. The term "professional services" includes independent scientific, literary, artistic, educational or teaching activities, as well as the independent activities of physicians, surgeons, lawyers, engineers, architects, dentists and accountants.

ARTICLE 15 - DEPENDENT PERSONAL SERVICES

1. Subject to the provisions of Articles 16, 18, 19, 20 and 21, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.

2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if:

3. In the case of a recipient who satisfies all the conditions under subparagraphs (a), (b) and (c) of paragraph 2, if his remuneration is deductible as an expense against fees for technical services (dealt with under Article 12) derived by his employer and the employer has no permanent establishment in the other Contracting State, the remuneration may, notwithstanding the provisions of paragraph 2, be taxed in that State. In such case, the tax so charged shall not exceed 15% of the gross amount of the remuneration.

2. Where income in respect of or in connection with personal activities exercised by an artiste or sportsperson accrues not to the artiste or sportsperson himself but to another person, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in the Contracting State in which the activities of the artistes or sportspersons are exercised.
3. 2. However, this limitation does not apply to income derived by the Government of a Contracting State or any person approved by the competent authority of that State for the purpose of this paragraph. The term "Government" includes its agencies and statutory bodies.

ARTICLE 25 - AVOIDANCE OF DOUBLE TAXATION

1. The laws in force in either of the Contracting States shall continue to govern the taxation of income in the respective Contracting States except where express provision to the contrary is made in this Agreement.

2. Where a resident of India derives income which, in accordance with the provisions of this Agreement, may be taxed in Singapore, India shall allow as a deduction from the tax on the income of that resident an amount equal to the Singapore tax paid, whether directly or by deduction. Where the income is a dividend paid by a company which is a resident of Singapore to a company which is a resident of India and which owns directly or indirectly not less than 25% of the share capital of the company paying the dividend, the deduction shall take into account the Singapore tax paid in respect of the profits out of which the dividend is paid. Such deduction in either case shall not, however, exceed that part of the tax (as computed before the deduction is given) which is attributable to the income which may be taxed in Singapore.

3. For the purposes of paragraph 2 of this Article, "Singapore tax paid" shall be deemed to include any amount of tax which would have been payable but for the reduction or exemption of Singapore tax granted under:

- (a) the provisions of the Economic Expansion Incentives (Relief from Income Tax) Act and the provisions of sections 13(1)(t), 13(1)(u), 13(1)(v), 13(2), 13A, 13B, 13F, 14B, 14C, 14E, 43A, 43C, 43D, 43E, 43F, 43G, 43H, 43I, 43J and 43K of the Income Tax Act, insofar as they were in force and have not been modified since the date of signature of this Agreement, or have been modified in minor respects so as not to affect their general character;
- (b) any other provisions which may subsequently be enacted granting an exemption or reduction of tax which is agreed by the competent authorities of the Contracting States to be of a substantially similar character to any provision referred to in subparagraph (a) of this paragraph, if such provision has not been modified thereafter or has been modified only in minor respects so as not to affect its general character.

4. Subject to the provisions of the laws of Singapore regarding the allowance as a credit against Singapore tax of tax paid in any country other than Singapore, Indian tax paid, whether directly or by deduction, in respect of income from sources within India shall be allowed as a credit against Singapore tax payable in respect of that income. Where such income is a dividend paid by a company which is a resident of India to a resident of Singapore which owns not less than 25% of the share capital of the company paying the dividends, the credit shall take into account Indian tax paid in respect of its profits by the company paying the dividends.

5. For the purposes of paragraph 4 of this Article the term "Indian tax paid" shall be deemed to include any amount of tax which would have been payable in India but for a deduction allowed in computing the taxable income or an exemption or reduction of tax granted for that year in question under:

- (a) Sections 10(4), 10(4B), 10(5B), 10(15)(iv), 10A, 10B, 33AB, 80I and 80IA, insofar as these provisions were in force and have not been modified since the date of signature of this Agreement, or have been modified only in minor respects so as not to affect their general character;

- (b) any other provision which may subsequently be enacted granting an exemption or reduction of tax which is agreed by the competent authorities of the Contracting States to be of a substantially similar character to a provision referred to in subparagraph (a) of this paragraph, if such provision has not been modified thereafter or has been modified only in minor aspects so as not to affect its general character.

6. Income which, in accordance with the provisions of this Agreement, is not to be subjected to tax in a Contracting State, may be taken into account for calculating the rate of tax to be imposed in that Contracting State.

ARTICLE 26 - NON-DISCRIMINATION

1. The nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances and under the same conditions are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities in the same circumstances or under the same conditions. This provision shall not be construed as preventing a Contracting State from charging the profits of a permanent establishment which an enterprise of the other Contracting State has in the first- mentioned State at a rate of tax which is higher than that imposed on the profits of a similar enterprise of the first-mentioned Contracting State, nor as being in conflict with the provisions of paragraph 3 of Article 7 of this Agreement.

3. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned State are or may be subjected in the same circumstances and under the same conditions.

4. Nothing contained in paragraphs 1, 2 and 3 of this Article shall be construed as:

- (a) obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs, reductions and deductions which it grants to its own residents;
- (b) affecting any provisions of the tax laws of the respective Contracting States regarding the imposition of tax on non- resident persons as such;
- (c) obliging a Contracting State to grant to nationals of the other Contracting State those personal allowances, reliefs, reductions and deductions for tax purposes which it grants to its own citizens who are not resident in that State or to such other persons as may be specified in the taxation laws of that State; and
- (d) affecting any provisions of the tax laws of the respective Contracting States regarding any tax concessions granted to persons fulfilling specified conditions.

5. In this Article, the term "taxation" means taxes which are the subject of this Agreement.

ARTICLE 27 - MUTUAL AGREEMENT PROCEDURE

1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may, notwithstanding the remedies provided by the national laws of those States, present his case to the competent authority of the Contracting State of which he is a resident. This case must be presented within three years of the date of receipt of notice of the action which gives rise to taxation not in accordance with the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to avoidance of taxation not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the national laws of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a Commission consisting of representatives of the competent authorities of the Contracting States.

ARTICLE 28 - EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information (including documents) as is necessary for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by the Agreement, in so far as the taxation thereunder is not contrary to the Agreement, in particular for the prevention or fraud or evasion of such taxes.

Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State. However, if the information is originally regarded as secret in the transmitting State, it shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes which are the subject of the Agreement. Such persons or authorities shall use the information only for such purposes but may disclose the information in public court proceedings or in judicial decisions.

2. The exchange of information or documents shall be either on a routine basis or on request with reference to particular cases or both.

3. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws or administrative practice of that or of the other Contracting State;
- (b) to supply information or documents which are not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information or documents which would disclose any trade, business, industrial, commercial or professional secret or trade process or information the disclosure of which would be contrary to public policy.

ARTICLE 29 - DIPLOMATIC AND CONSULAR OFFICIALS

Nothing in this Agreement shall affect the fiscal privileges of diplomatic or consular officials under the general rules of international law or under the provisions of special agreements.

ARTICLE 30 - ENTRY INTO FORCE

1. Each of the Contracting States shall notify the other of the completion of the procedures required by its law for the bringing into force of this Agreement. This Agreement shall enter into force on the date of the later of these notifications and shall thereupon have effect:

(a) in India:

in respect of income arising in any fiscal year beginning on or after the first day of April 1994;

ARTICLE 31 - TERMINATION

This Agreement shall remain in force indefinitely but either of the Contracting States may, on or before the thirtieth day of June in any calendar year beginning after the expiration of a period of five years from the date of its entry into force, give the other Contracting State, through diplomatic channels, written notice of termination and, in such event, this Agreement shall cease to have effect:

(a) in India:

in respect of income arising in any fiscal year beginning on or after the 1st day of April next following the date on which the notice of termination is given;

(b) in Singapore:

in respect of income arising in any fiscal year beginning on or after the 1st day of January next following the date on which the notice of termination is given.

2. Where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the income or profits which it might be expected to make if it were an independent enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment. In any case, where the correct amount of profits attributable to a permanent establishment is incapable of determination or the ascertainment thereof presents exceptional difficulties, the profits attributable to the permanent establishment may be estimated on a reasonable basis.
3. In the determination of the income or profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

ARTICLE 25 - NON-DISCRIMINATION

1. Nationals or citizens of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals or citizens of that other Contracting State in the same circumstances and under the same conditions are or may be subjected. This provision shall not be construed as obliging a Contracting State to grant to nationals of the other Contracting State not resident in the first-mentioned Contracting State those personal allowances, reliefs and reductions for tax purposes which are by law available only to citizens of the first-mentioned Contracting State or to such other persons as may be specified therein who are not resident in that Contracting State.

2. The term "nationals or citizens" means:

- (a) all individuals possessing the nationality or citizenship of a Contracting State; and
- (b) all legal persons, partnerships and associations deriving their status as such from the law in force in a Contracting State.

3. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other Contracting State than the taxation levied on enterprises of that other Contracting State carrying on the same activities in the same circumstances or under the same conditions.

4. The provisions of this Article shall not be construed as obliging a Contracting State to grant residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

5. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned Contracting State are or may be subjected in the same circumstances and under the same conditions.

6. In this Article, the term "taxation" means taxes which are the subject of this Agreement.

ARTICLE 26 - MUTUAL AGREEMENT PROCEDURE

1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may notwithstanding the remedies provided by the national laws of those States, present the case to the competent authorities of the Contracting State of which he is a resident. The case must be presented within three years from the date of the assessment or of the withholding of tax at the source whichever is later.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation not in accordance with this Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the national laws of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of this Agreement. They may also consult together for the elimination of double taxation in cases not provided for in this Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purposes of applying the provisions of this Agreement. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a commission consisting of representatives of the competent authorities of the Contracting States.

ARTICLE 27 - EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Agreement or for the prevention or detection of evasion of the taxes which are the subject of this Agreement. Any information so exchanged shall be treated as secret but may be disclosed only to persons (including a court or administrative body) concerned with the assessment, collection, enforcement, investigation or prosecution in respect of the taxes which are the subject of this Agreement, or to persons with respect to whom the information relates.
2. The exchange of information may also be on request with reference to particular cases.
3. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:
 - (a) to carry out administrative measures at variance with the laws or administrative practice of that or of the other Contracting State;
 - (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
