 - (b) For the purposes of sub-paragraphs (a)(i) and (a)(ii), the term "delivery" means

the mere delivery of goods provided that it is not regular and not accompanied with sales.

5. A person acting in a Contracting State on behalf of an enterprise of the other Contracting State, other than an agent of an independent status to whom paragraph 6 applies, shall be deemed to be a permanent establishment for the enterprise in the first- mentioned Contracting State if:-

- (a) he has, and habitually exercises in the first-mentioned Contracting State, an authority to conclude contracts for or on behalf of the enterprise unless the exercise of such authority is limited to the purchase of goods or merchandise for that enterprise; or
- (b) he habitually maintains in the first-mentioned Contracting State a stock of goods or merchandise belonging to the enterprise from which he regularly fills orders on behalf of the enterprise.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent, or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6 - INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other state.

2. The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. ARTICLE 7 - BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable

to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

4. If the information available to the competent authority is inadequate to determine the profits to be attributed to the permanent establishment of an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person by the exercise of a discretion in the making of an estimate by the competent authority, provided that the law shall be applied, so far as the information available to the competent authority permits, in accordance with the principles of this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8 - SHIPPING AND AIR TRANSPORT

1. Profits of an enterprise of a Contracting State derived from the other Contracting State from the operation of aircraft in international traffic shall be taxable only in that State.

Profits of an enterprise of a Contracting State derived from the other Contracting State from the operation of ships in international traffic may be taxed in that other State, but the tax chargeable in that other State on such profits shall be reduced by an amount equal to 50 per cent of such tax.

3. The provisions of paragraphs 1 and 2 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

ARTICLE 9 - ASSOCIATED ENTERPRISES

Where:

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- (b) the same persons participate directly or indirectly in the management, control

or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

ARTICLE 10 - DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident, and according to the laws of that State, but if the recipient is the beneficial owner of the dividends, the tax so charged shall not exceed:

- (a) 5 per cent of the gross amount of the dividends if the recipient is a company which holds directly at least 25 per cent of the capital of the company paying the dividends;
- (b) 10 per cent of the gross amount of the dividends in all other cases.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

- 3.
- (a) Under the current Singapore laws, where dividends are paid by a company which is a resident of Singapore to a resident of Hungary who is the beneficial owner of such dividends, there is no tax in Singapore which is chargeable on dividends in addition to the tax chargeable in respect of the profits or income of the company. Nothing in this paragraph shall affect the provisions of the Singapore laws under which the tax in respect of a dividend paid by a company which is a resident of Singapore from which Singapore tax has been, or has been deemed to be, deducted, may be adjusted by reference to the rate of tax appropriate to the Singapore year of assessment immediately following that in which the dividend was paid.
 - (b) If Singapore, subsequent to the signing of the Agreement, imposes a tax on dividends paid by a company which is a resident of Singapore which is in addition to the tax chargeable in respect of the profits or income of the company, such tax may be charged but the tax so charged on such dividends derived by a resident of Hungary who is the beneficial owner of such dividends shall be in accordance with the provisions of paragraph 2.

4. The term "dividends" as used in this Article means income from shares, "jouissance" shares or "jouissance" rights, mining shares, founders shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services

from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

7.

- (a) Dividends shall be deemed to arise in Hungary if they are paid by a company which is a resident of Hungary.
- (b) Dividends shall be deemed to arise in Singapore -
 - (i) if they are paid by a company which is a resident of Singapore; or
 - (ii) if they are paid by a company which is a resident of Malaysia out of profits arising in Singapore and qualifying as dividends arising in Singapore under Article VII of the Agreement for the Avoidance of Double Taxation between Singapore and Malaysia signed on 26th December, 1968.

8. The Government of either Contracting State shall be exempt from tax in the other Contracting State with respect to dividends on shares in joint stock companies of that other State. However, such exemption shall in no case be given with respect to shares held for other than public purposes and not if the holding constitutes a substantial participation.

9. For the purposes of paragraph 8, the term "Government":

- (a) in the case of Singapore means the Government of Singapore, and shall include:
 - (i) the Monetary Authority of Singapore, the Board of Commissioners of Currency and the Government of Singapore Investment Corporation Pte Ltd;

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other Contracting State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of the interest, the tax so charged shall not exceed 5 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2:

- (a) interest derived by the Government of a Contracting State from the other Contracting State shall be exempt from tax in the other Contracting State; and

 - (iii) any institution wholly or mainly owned by the Government of Hungary, as may be agreed from time to time between the competent authorities of the Contracting States.

5. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures.

6. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

7. Interest shall be deemed to arise in a Contracting State when the payer is the Government of that Contracting State, a political subdivision, a local authority, a statutory body or a resident of that Contracting State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

8. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12 - ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the recipient is the beneficial owner of the royalties, the tax so charged shall not exceed 5 per cent of the gross amount of the royalties. The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films, and films or tapes for radio or television broadcasting) any patent, trade mark, design or model, plan, or secret formula or process, or for the use of, or the right to use, industrial, commercial, or scientific equipment, or for information concerning industrial, commercial or scientific experience.

4. The provisions of paragraph 1 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the

excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

2.
 - (a) In Singapore:

Subject to the provisions of the laws of Singapore regarding the allowance as a credit against Singapore tax of tax payable in any country other than Singapore, Hungarian tax payable, whether directly or by deduction, in respect of income from sources within Hungary, shall be allowed as a credit against Singapore tax payable in respect of that income. Where such income is a dividend paid by a company which is a resident of Hungary to a company which is a resident of Singapore and which owns not less than 25 per cent of the shares of the company paying the dividend, the credit shall take into account Hungarian tax payable by that company in respect of its income out of which the dividend is paid. The credit shall not, however, exceed that part of the Singapore tax, as computed before the credit is given, which is appropriate to such item of income.

(b) In Hungary:

- (i) Where a resident of Hungary derives income which, in accordance with the provisions of this Agreement may be taxed in Singapore, Hungary shall, subject to the provisions of sub-paragraphs (ii) and (iii), exempt such income from tax.
- (ii) Where a resident of Hungary derives items of income which, in accordance with the provisions of Articles 10, 11 and 12, may be taxed in Singapore, Hungary shall allow as a deduction from the tax on the income of that resident an amount equal to the tax paid in Singapore. Such deduction shall not, however, exceed that part of the tax, as computed before the deduction is given which is attributable to such items of income derived from Singapore.
- (iii) Where in accordance with any provision of the Agreement income derived by a resident of Hungary is exempt from tax in Hungary, Hungary may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

3. For the purposes of paragraph 2(b), taxes which have been relieved or reduced in Singapore by virtue of special incentive laws for the promotion of the economic development of Singapore or any other provisions which may subsequently be introduced in Singapore in modification of, or in addition to, those laws or by virtue of the provisions of this Agreement shall be deemed to have been paid and shall wherever applicable be allowed as a credit in Hungary. The credit to be allowed shall be an amount equal to the tax which would have been paid if no such relief or reduction had been made.

ARTICLE 25 - NON-DISCRIMINATION

1. The nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

3. Nothing in this Article shall be construed as obliging a Contracting State to grant to -

- (a) residents of the other Contracting State any personal allowances, reliefs and

reductions for tax purposes which it grants to its own residents; or

- (b) nationals of the other Contracting State those personal allowances, reliefs and reductions for tax purposes which it grants to its own citizens who are not resident in that Contracting State or to such other individuals as may be specified in the taxation laws of that Contracting State;
- (c) nationals of the other Contracting State who are resident in that Contracting State any reliefs or reductions in any form including tax rate given to its own nationals on the basis of their obligation as citizens and permanent residents.

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

5. Where a Contracting State grants tax incentives to its nationals designed to promote economic development in accordance with its national policy and criteria, it shall not be construed as discrimination under this Article.

6. In this Article, the term "taxation" means taxes which are the subject of this Agreement.

ARTICLE 26 - MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 25, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting State.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a Commission consisting of representatives of the competent authorities of the Contracting States.

ARTICLE 27 - EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Agreement or of the domestic laws of

the Contracting States concerning taxes covered by the Agreement insofar as the taxation thereunder is not contrary to the Agreement. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

2. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (ordre public).

ARTICLE 28 - MEMBERS OF DIPLOMATIC OR CONSULAR MISSIONS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic or consular missions under the general rules of international law or under the provisions of special agreements.

ARTICLE 29 - ENTRY INTO FORCE

1. The Contracting Parties shall notify each other that the constitutional requirements for the entry into force of this Agreement have been complied with.

2. This Agreement shall enter into force on the day of the latter of the notifications referred to in paragraph 1 and its provisions shall apply:

- (a) in Hungary:
 - (i) in respect of taxes withheld at source, to amounts of income derived on or after 1st January in the calendar year next following the year in which the Agreement enters into force;
 - (ii) in respect of other taxes on income, to such taxes chargeable for any taxable year beginning on or after 1st January in the calendar year next following the year in which the Agreement enters into force;
- (b) in Singapore:

in respect of Singapore tax for any year of assessment beginning on or after 1st January in the second calendar year following that in which the Agreement enters into force.

ARTICLE 30 - TERMINATION

This Agreement shall remain in force until terminated by one of the Contracting Parties. Either Contracting Party may terminate the Agreement, through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year following after the period of five years from the date on which the Agreement enters into force. In such event, the Agreement shall cease to have effect:

(a) in Hungary:

- (i) in respect of taxes withheld at source, to amounts of income derived on or after 1st January in the calendar year next following the year in which the notice is given;
- (ii) in respect of other taxes on income, to such taxes chargeable for any taxable year beginning on or after 1st January in the calendar year next following the year in which the notice is given;

(b) in Singapore:

in respect of Singapore tax for any year of assessment beginning on or after 1st January in the second calendar year following that in which the notice of termination has been given.

IN WITNESS WHEREOF the undersigned, being duly authorised thereto, have signed this Agreement.

DONE duplicate at Singapore this 17th day of April 1997, in the English language.

H.E. Mr Peter Medgyessy
Minister of Finance
Republic of Hungary.

Sir,

In pursuance of paragraphs 8 and 9 of Article 10 of the Agreement between the Republic of Singapore and the Republic of Hungary for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income which was signed today, I have the honour to propose that:

- (a) with reference to paragraph 8 of Article 10, it is understood that:
 - (i) the term "joint stock companies" include public companies whether listed on the Stock Exchange or not and private companies; and
 - (ii) a holding of 25% or more of the share capital of a joint stock company constitutes a substantial participation in that company; and
- (b) with reference to sub-paragraph (a)(ii) of paragraph 9 of Article 10, it is understood that, for the purposes of exemption of tax in Hungary in accordance with paragraph 8 of Article 10, any company or body established for the purpose of investing the reserves of the Government of Singapore is required to furnish a certification from the competent authority of Singapore that it is established for such a purpose.

In the event of these proposals being acceptable to you, this Note together with your Note accepting the proposals shall constitute an agreement between the Republic of Singapore and the Republic of Hungary for the purposes of paragraphs 8 and 9 of Article 10.

I avail myself of this opportunity, Sir, to renew to you the assurance of my highest consideration.

DR RICHARD HU

ANNEX A

Effects of the MLI on this Agreement

1. Deletion and replacement of the Preamble

The preamble of this Agreement is deleted and replaced by the following preamble:

“The Republic of Singapore and the Republic of Hungary,

Desiring to further develop their economic relationship and to enhance their co-operation in tax matters,

Intending to eliminate double taxation with respect to the taxes covered by this Agreement without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty shopping arrangements aimed at obtaining reliefs provided in this Agreement for the indirect benefit of residents of third jurisdictions),

Have agreed as follows:”.

2. Amendment of Article 9

Article 9 (Associated Enterprises) of this Agreement is amended —

- (a) by numbering the existing provision as paragraph 1; and
- (b) by inserting, immediately after paragraph 1, the following paragraph:

“2. Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.”.

3. New Articles 26A to 26H (arbitration provisions)

The following articles shall be inserted immediately after Article 26. However, the articles shall not apply to this Agreement if a Contracting State raises an objection under Article 28(2)(b) of the MLI to the reservations that had been made by the other Contracting State under Article 28(2)(a) of the MLI. Such an objection may be raised by Singapore by 24 March 2022.

“ARTICLE 26A - MANDATORY BINDING ARBITRATION

1. Where:
 - (a) under Article 26 (Mutual Agreement Procedure), a person has presented a case to the competent authority of a Contracting State on the basis that the actions of one or both of the Contracting States have resulted for that person in taxation not in accordance with the provisions of the Agreement; and
 - (b) the competent authorities are unable to reach an agreement to resolve that case pursuant to Article 26 (Mutual Agreement Procedure) within a period of two years beginning on the start date referred to in paragraph 8 or 9, as the case may be (unless, prior to the expiration of that period the competent authorities of the Contracting States have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in this Article and Articles 26B to 26H, according to any rules or procedures agreed upon by the competent authorities of the Contracting States pursuant to the provisions of paragraph 10.

2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in sub-paragraph (b) of paragraph 1 will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in sub paragraph (b) of paragraph 1 will stop running until the suspension has been lifted.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in sub paragraph (b) of paragraph 1, the period provided in sub paragraph (b) of paragraph 1 shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

4.
 - (a) The arbitration decision with respect to the issues submitted to arbitration shall be implemented through the mutual agreement concerning the case referred to in paragraph 1. The arbitration decision shall be final.
 - (b) The arbitration decision shall be binding on both Contracting States except in the following cases:
 - (i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

- (ii) if a final decision of the courts of one of the Contracting States holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 26C (Confidentiality of Arbitration Proceedings) and 26G (Costs of Arbitration Proceedings)). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.
- (iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in sub paragraph (a) of paragraph 1 shall, within two calendar months of receiving the request:

- (a) send a notification to the person who presented the case that it has received the request; and
- (b) send a notification of that request, along with a copy of the request, to the competent authority of the other Contracting State.

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other Contracting State) it shall either:

- (a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- (b) request additional information from that person for that purpose.

7. Where pursuant to sub-paragraph (b) of paragraph 6, one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- (a) that it has received the requested information; or
- (b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to sub-paragraph (b) of paragraph 6, the start date referred to in paragraph 1 shall be the earlier of:

- (a) the date on which both competent authorities have notified the person who presented the case pursuant to sub paragraph (a) of paragraph 6; and
- (b) the date that is three calendar months after the notification to the competent authority of the other Contracting State pursuant to sub paragraph (b) of paragraph 5.

9. Where additional information has been requested pursuant to sub paragraph (b) of paragraph 6, the start date referred to in paragraph 1 shall be the earlier of:

- (a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to sub paragraph (a) of paragraph 7; and
- (b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in sub paragraph (b) of paragraph 7, such notification shall be treated as a request for additional information under sub paragraph (b) of paragraph 6.

10. The competent authorities of the Contracting States shall by mutual agreement (pursuant to Article 26 (Mutual Agreement Procedure)) settle the mode of application of the provisions contained in this Article and Articles 26B to 26H, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

11. Notwithstanding the preceding paragraphs of this Article:

- (a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by this Agreement shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either Contracting State;
- (b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a decision concerning the issue is rendered by a court or administrative tribunal of one of the Contracting States, the arbitration process shall terminate.

12. The provisions of this Article and Articles 26B to 26H shall not apply —

- (a) to any case involving the application of Singapore's general anti-avoidance rules contained in section 33 of the Act, case law or juridical doctrines, and any subsequent provisions (as notified by Singapore to the Depositary of the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting done at Paris on 24 November 2016 (as amended from time to time)) that replace, amend or update these anti-avoidance rules;
- (b) to any case involving the application of any provisions of Singapore's law (including legislative provisions, case law, judicial doctrines and penalties) that are analogous to those governing the cases in sub paragraph (e), including any subsequent provisions which replace, amend or update those provisions. The competent authority of Singapore will consult with the competent authority of Hungary in order to specify any such analogous provisions which exist under Singapore law pursuant to paragraph 10;

- (c) to any case that falls within the scope of application of the Convention on the Elimination of Double Taxation in Connection with the Adjustment of Profits of Associated Enterprises (90/436/EEC) as amended or any subsequent regulation replacing, amending or updating these rules;
- (d) to any case that falls within the scope of application of the COUNCIL DIRECTIVE (EU) 2017/1852 of 10 October 2017 on tax dispute resolution mechanisms in the European Union or any subsequent regulation replacing, amending or updating these rules;
- (e) to — on a case by case basis — any case where penalties were imposed in relation to the adjusted income or capital for tax fraud, wilful default and gross negligence in accordance with Hungary's domestic rules included in Section 41/J. paragraph (12) of the Act XXXVII of 2013 on Certain Rules of International Administrative Cooperation in Relation to Taxes and Other Public Duties. Any subsequent provision replacing, amending or updating these rules would also be included in this reservation. Hungary shall notify the Depositary of any such subsequent provision;
- (f) to any case which the competent authorities of both Contracting Jurisdictions agree that are not suitable for arbitration. Such agreement shall be reached before the date on which arbitration proceedings would otherwise have begun and shall be notified to the person who presented the case; or
- (g) to any case which relates to questions of dispute relating to income or capital earned in a tax year commencing before 1 January 2018.

13. This Article and Articles 26B to 26H —

- (a) shall have effect with respect to cases presented to the competent authority of a Contracting State under Article 26 (Mutual Agreement Procedure) on or after 1 July 2021; and
- (b) shall apply to a case presented to the competent authority of a Contracting State under Article 26 (Mutual Agreement Procedure) prior to 1 July 2021 only to the extent that the competent authorities of both Contracting States agree that it will apply to that specific case.

ARTICLE 26B - APPOINTMENT OF ARBITRATORS

1. Except to the extent that the competent authorities of the Contracting States mutually agree on different rules, paragraphs 2 through 4 shall apply for the purposes of Articles 26A to 26H.

2. The following rules shall govern the appointment of the members of an arbitration panel:

- (a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.
- (b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph 1 of Article 26A (Mandatory Binding Arbitration). The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a

national or resident of either Contracting State.

- (c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the Contracting States and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

3. In the event that the competent authority of a Contracting State fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 or agreed to by the competent authorities of the Contracting States, a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

4. If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph 2 or agreed to by the competent authorities of the Contracting States, the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

ARTICLE 26C - CONFIDENTIALITY OF ARBITRATION PROCEEDINGS

1. Solely for the purposes of the application of Articles 26A to 26H and 27 and of the provisions of the domestic laws of the Contracting States related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under Article 27 (Exchange of Information).

2. The competent authorities of the Contracting States shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations described in Article 27 (Exchange of Information) and under the applicable laws of the Contracting States.

ARTICLE 26D - RESOLUTION OF A CASE PRIOR TO THE CONCLUSION OF THE ARBITRATION

For the purposes of Articles 26 and 26A to 26H, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States:

- (a) the competent authorities of the Contracting States reach a mutual agreement to resolve the case; or
- (b) the person who presented the case withdraws the request for arbitration or

the request for a mutual agreement procedure.

ARTICLE 26E - TYPE OF ARBITRATION PROCESS

1. The competent authorities of the Contracting States shall endeavour to reach agreement on the type of arbitration process that shall apply with respect to the Agreement. Until such an agreement is reached, Article 26A (Mandatory Binding Arbitration) shall not apply with respect to the Agreement.

2. Prior to the beginning of arbitration proceedings, the competent authorities of the Contracting States shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under Article 26 (Mutual Agreement Procedure), as well as the arbitration proceeding under Articles 26A to 26H, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a person that presented the case or one of that person's advisors materially breaches that agreement.

ARTICLE 26F - AGREEMENT ON A DIFFERENT RESOLUTION

Notwithstanding paragraph 4 of Article 26A (Mandatory Binding Arbitration), an arbitration decision pursuant to Articles 26A to 26H shall not be binding on the Contracting States and shall not be implemented if the competent authorities of the Contracting States agree on a different resolution of all unresolved issues within three calendar months after the arbitration decision has been delivered to them.

ARTICLE 26G - COSTS OF ARBITRATION PROCEEDINGS

In an arbitration proceeding under Articles 26A to 26H, the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the Contracting States, shall be borne by the Contracting States in a manner to be settled by mutual agreement between the competent authorities of the Contracting States. In the absence of such agreement, each Contracting State shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the Contracting States in equal shares.

ARTICLE 26H - COMPATIBILITY

1. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in this Article and Articles 26A to 26G shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

2. Nothing in this Article and Articles 26A to 26G shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the Contracting States are or will become parties.”.

4. New Article 28A

The following new Article 28A is inserted immediately after Article 28 (Members of Diplomatic or Consular Missions):

“ARTICLE 28A – PREVENTION OF TREATY ABUSE

1. Notwithstanding any provisions of this Agreement, a benefit under this Agreement shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of this Agreement.

2. Where a benefit under this Agreement is denied to a person under provisions of this Agreement that deny all or part of the benefits that would otherwise be provided under this Agreement where the principal purpose or one of the principal purposes of any arrangement or transaction, or of any person concerned with an arrangement or transaction, was to obtain those benefits, the competent authority of the Contracting State that would otherwise have granted this benefit shall nevertheless treat that person as being entitled to this benefit, or to different benefits with respect to a specific item of income or capital, if such competent authority, upon request from that person and after consideration of the relevant facts and circumstances, determines that such benefits would have been granted to that person in the absence of the transaction or arrangement. The competent authority of the Contracting State to which a request has been made under this paragraph by a resident of the other Contracting State shall consult with the competent authority of that other Contracting State before rejecting the request.”.

5. Entry into effect of the MLI

The effects of the MLI on this Agreement, as laid out in this Annex, shall have effect in Singapore:

- (a) for paragraph 3 of this Annex on the arbitration provisions, with respect to any tax paid, deemed paid or liable to be paid, before, on or after 1 July 2021;
- (b) for all other paragraphs in this Annex:
 - (i) with respect to taxes withheld at source, for amounts paid, deemed paid or liable to be paid (whichever is the earliest), on or after 1 January 2022; and
 - (ii) with respect to taxes other than those withheld at source, where the income is derived or received in a basis period beginning on or after 1 January 2022.
