1 Aim

- 1.1 This e-Tax guide provides details on the features and refund mechanism of the Electronic Tourist Refund Scheme (“eTRS”). This includes the conditions¹ that retailers participating in the eTRS must comply with.
- 1.2 You should read this guide if you are participating or intend to participate in the eTRS either by engaging the services of a Central Refund Agency (“CRA”) or operating on your own as an Independent Retailer (“IR”).

2 At a glance

- 2.1 Tourists may obtain a refund of GST on goods purchased from GST-registered retailers who participate in the eTRS.
- 2.2 The refund is allowed only on goods brought out of Singapore via Changi International Airport or Seletar Airport (collectively known as “airports”), within 2 months from the date of purchase and subject to the tourists’ eligibility and conditions of the Tourist Refund Scheme (“TRS”).
- 2.3 The eTRS is a voluntary scheme. Retailers who wish to participate in the eTRS can either engage the services of a CRA or operate the eTRS on their own as IRs. For information on the participation conditions under eTRS, retailers can refer to the e-Tax guide, “GST: The Electronic Tourist Refund Scheme (eTRS) (Refunds made on or after 4 Apr 2019)”, on IRAS website (<https://www.iras.gov.sg>).

¹ Where more stringent conditions are imposed specifically on Specified Retailers, those stringent conditions shall prevail over what is set out in this e-Tax Guide.

The e-Visit Pass will be sent to the email address indicated in the SG Arrival Card of the visitors. For more information on e-Visit Pass, please refer to ICA's website (www.ica.gov.sg).

³ You may zero-rate (i.e., GST at 0%) the supply of goods that would be exported for business or commercial purposes. For more information, please refer to "GST: Guide on Exports" that is available on <http://www.iras.gov.sg>.

8 Procedures for making a sale and applying for a refund under the eTRS

8.1 Procedures for you at the point of sale

8.1.1 You must issue an invoice or receipt with GST at the prevailing tax rate to your customer. When a customer requests for an eTRS transaction to be issued under the eTRS, you must:

- a) Inform the customer requesting for a GST refund on their purchase of the tourist refund conditions and check with the person if they meet the conditions;
- b) Sight the passport provided⁴ to ascertain that it belongs to the person requesting for the refund and check the customer has an e-Visit Pass;
- c) Capture the person's passport number, nationality and purchase details electronically. This is essential for an eTRS transaction to be issued by the CCH;
- d) Advise the tourist to keep the invoice or receipt as they may be required to produce this document together with their goods for Customs' inspection at the airport;
- e) Indicate (e.g., stamp) on their invoice or receipt that an eTRS transaction has been issued; and
- f) Inform the tourist that they may sign up for an eTRS eService account⁵ to verify that their eTRS transactions have been successfully issued⁶, and to check on the status of their non-cash refunds following the approval at the airport.

8.1.2 The eTRS transaction must be issued at the time of the sale of goods to the tourist. As an administrative concession, the Comptroller allows you to issue the eTRS transaction for past sales if you have proper controls in place to prevent abuse of the eTRS. This includes having a system, which would allow you to check:

- (a) that the goods were purchased by the same individual who is requesting for an eTRS transaction to be issued;
- (b) that receipt or invoice produced is genuine and issued by your shop (or shops with the same shop name);

⁴ A photocopy or an image of the passport is not acceptable.

⁵ Tourist can register for the eTRS eService account via the website <https://touristrefund.sg/> or via the "eTRS" application downloadable from Google Play or Apple App Store.

⁶ Tourists may view eTRS transactions in their eTRS eService account within 10 minutes of the retailers issuing the eTRS transactions.

- (c) whether an eTRS transaction had been issued for the receipt or invoice that is being presented and
 - (d) for goods returned, whether an eTRS transaction has been previously issued. If an eTRS transaction has been issued, you will need to check and ensure that no refund has been made and to invalidate the earlier eTRS transaction issued.
- 8.1.3 After issuing the eTRS transaction, you should indicate on the receipt or invoice that the eTRS transaction has been issued. For example, by stamping “eTRS transaction issued”.
- 8.1.4 Some retailers (“Specified Retailers”) are required to comply with additional procedures and control measures including the requirement to issue eTRS transaction only at the time of sale, and to indicate prominently on each sale invoice/receipt whether or not this has been done. They could also be required to install a CCTV surveillance system in their retail premises to record the process of the issuance of eTRS transactions. Specified Retailers who are required to comply with procedures and control measures will be informed by their CRA of these additional procedures and conditions that are applicable to them. Where more stringent conditions are imposed specifically on Specified Retailers, those conditions shall prevail over what is set out in this e-Tax Guide and the administrative concession stated in the above paragraph 8.1.2 does not apply in such cases.
- 8.2 Procedures for the tourist when departing from Singapore at the airport
 - 8.2.1 At the self-help kiosk, the tourist will be asked to:
 - (a) Scan their passport to retrieve the necessary tourist and transaction details.
 - (b) Declare their eligibility and acceptance of the conditions under the eTRS.
 - (c) Verify and select the purchases⁷ which they are entitled to claim a refund on.
 - (d) Select their refund options. For departure via Changi International Airport, the refund will be made to them by either credit card, Alipay or cash. For departure via Seletar Airport, the refund will be made to them by either credit card or Alipay.

⁷ eTRS tickets are not issued for purchases made on or after 4 Apr 2019. Any purchases made from 4 Feb 2019 to 3 Apr 2019 (start and end dates inclusive) with eTRS Tickets issued will also be automatically retrieved when a tourist scans his passport at the kiosk. A tourist should contact the respective retailer(s) in the event such purchases are not retrieved at the kiosk.

- (e) Check the status of their refund request (i.e., Approved or Not Approved) as shown on the kiosk screen.
- If the refund status is “Approved”,
 - For refund via cash (available at Changi International Airport only), the tourist can proceed to the GST Cash Refund Counter in the Departure Transit area (after immigration clearance) with their passport.
 - For credit card refund, the refund will be paid to their specified credit card within 10 days.
 - For Alipay refund, the refund will be paid immediately into their Alipay account.
 - If the refund status is “Not Approved”, the tourist is required to present their purchases, together with the original invoices/receipts, e-Visit Pass and their boarding pass/confirmed air ticket at Customs Inspection counter (at Changi International Airport) or ICA counter (at Seletar Airport) for approval.

8.3 Procedures for you to claim a refund from the Comptroller

- 8.3.1 If you are affiliated with GB or GTF, you should not claim any eTRS refund from IRAS as you are not the one making the refund to tourists. Instead, your CRA will claim the refund from IRAS after paying CRC operator the refund made to tourists. You should therefore not include any eTRS claim in Box 7 “Input tax and refunds claimed” or make any declaration in Box 10 “Total value of tourist refund claimed” of the GST F5 return.
- 8.3.2 If you are not affiliated with any CRA and is operating the eTRS on your own as an IR approved by IRAS, you can claim the amount refunded to the tourist from the Comptroller. To claim a refund, you must:
- (a) have accounted for output tax at the prevailing tax rate (see paragraph 10);
 - (b) have refunded the GST to the tourist (including through an approved CRC operator) within 3 months after the date the application of the tourist for the refund is approved; and
 - (c) maintain documents and records to show that the above conditions have been satisfied (see paragraph 12).
- 8.3.3 If you have satisfied the conditions above for claiming a refund under the eTRS and any other conditions imposed by the Comptroller in respect to the operation of the eTRS, you may proceed to claim the refund by entering the amount in Box 7 “Input tax and refunds claimed” and Box 10 “Total value of tourist refund claimed” of the GST F5 return.

9 Accounting for sales made under eTRS

- 9.1 You must charge GST at the prevailing GST rate on all sales made under the eTRS.
- 9.2 Even if you choose to absorb the GST on the sale, you must still account for output tax using the tax fraction⁸ (prevailing tax rate/100+prevailing tax rate) in your GST return for the prescribed accounting period in which the sale takes place.
- 9.3 You must report the value of sale in Box 1 "Total value of standard-rated supplies" and the corresponding GST collected in Box 6 "Output tax due".

10 Administrative expenses charged to the customer

- 10.1 As you (in the case where you are operating the eTRS on your own as an approved IR) or the CRA would be deducting an amount from the refund due to cover administrative or handling expenses, you should explain this charge clearly to the tourist at the point of sale to avoid subsequent confusion or complaints.
- 10.2 The administrative fee is a consideration for a supply of service to the tourist. Generally, a supply of service can be zero-rated (i.e., GST at 0%) if it qualifies as an international service. You (as an approved eTRS IR) or the CRA can charge GST at 0% as it is a service that is supplied directly in connection with goods for export outside Singapore and supplied to a person who belongs in a country other than Singapore, at the time the services are performed⁹.

11 Types of documents and records to maintain

- 11.1 If you are operating the eTRS as an IR, it is important to maintain the following documents for at least 5 years to prove to the Comptroller that you have satisfied all the conditions:
 - (a) Separate account to record sales and refunds made under the eTRS;
 - (b) Copies of invoice and receipt issued for the goods sold;
 - (c) Reports issued by the Central Clearing House ("CCH"); and
 - (d) Evidence or CRC report on the payment made to the tourist.
- 11.2 If you are affiliated with GB or GTF, you are required to maintain records of eTRS transactions or reports issued (either in hard or soft copy) as part and parcel of the accounting and business records to be maintained under section 46 of the GST Act.

⁸ For example, the prevailing GST rate for 2023 is 8% thus the tax fraction will be 8/108.

⁹ This is provided for under section 21(3)(g) of the GST Act.

12 Important areas to take note of when making a sale under the eTRS

- 12.1 You must display a notice prominently at your retail outlet to indicate that a tourist must present their passport¹⁰ in person before an eTRS transaction can be issued.
- 12.2 You must show the descriptions of the goods purchased under the eTRS on the invoice or receipt. For example, where the goods sold by Chinese medicinal retailers are ground into powder form, the retailer should indicate it as such on the invoice/receipt accordingly.
- 12.3 You must verify the eligibility of the tourist in person, at the time of issuing the eTRS transaction. Verifying the tourist's eligibility for a refund under the eTRS via phone or online system is not acceptable.
- 12.4 The eTRS is only applicable to an eligible tourist who visits Singapore and is the purchaser of the goods. If your customer informs you that they are buying the goods on behalf of another person in their home country and requests the invoice or receipt to be issued in the name of the other person, you should not issue any eTRS transaction in this instance.
- 12.5 If your customer who does not meet the eligibility conditions¹¹ of a tourist informs you that they are buying the goods as a gift for their friend who is a tourist and requests the eTRS transaction to be issued in the name of the friend, you should also not issue any eTRS transaction in such instance.

13 Procedures for return of goods by the tourist

- 13.1 PARTIAL goods returned to you BEFORE the tourist submit a refund claim
 - 13.1.1 You must:
 - (a) Check and confirm with the relevant CRA that no approval has been granted on the eTRS transaction previously issued.
 - (b) Void the eTRS transaction previously issued to the tourist.
 - (c) Re-issue a new eTRS transaction for the remaining purchased item.
 - (d) Refund the value of goods returned (including the GST amount) to the tourist.
 - (e) Indicate on the invoice or receipt that an eTRS transaction is issued.

¹⁰ A photocopy or an image of the passport is not acceptable.

¹¹ Refer to paragraph 4.1 for the eligibility conditions.

13.2 ALL goods returned to you BEFORE the tourist submit a refund claim

13.2.1 You must:

- (a) Check and confirm with the relevant CRA that no approval has been granted on the eTRS transaction previously issued.
- (b) Void the eTRS transaction previously issued to the tourist.
- (c) Refund the total value of goods returned (including the GST amount) to the tourist.

13.3 ALL goods returned to you AFTER the tourist has made a refund claim

13.3.1 You must:

- (a) Check and confirm (with CRA where necessary) that the tourist has claimed their GST.
- (b) Refund only the value of goods returned (excluding the GST amount) to the tourist since GST refund was already made to the tourist earlier.

14 Retailer Contingency Plan

14.1 A retailer is unable to issue eTRS transactions to tourists due to:

- (a) Faulty issuing solution/printer;
- (b) Power failure/lease line connection issue at premise;
- (c) CRA's system is down; or
- (d) Other technical failures.

14.2 In the event of retailer contingency (as per events stated), the retailer will need to follow the respective CRA's or IR's contingency process.

14.3 You should only use the retailer contingency process in the situations indicated in the above paragraph 14.1. You should also adhere strictly to the applicable procedure to minimise any operational impact and inconvenience to the tourists.

15 Controls that can be implemented to prevent misuse of the eTRS

15.1 You should put in place some form of controls to ensure the eTRS is not misused. Some suggested controls are as follows:

- (a) Maintain a record of staff who issue eTRS transactions;

- (b) Maintain a record of the eTRS transactions issued and perform a monthly reconciliation against reports issued by CRA, CCH or CRC, where applicable;
- (c) Staff to get store manager's approval before issuing an eTRS transaction involving a high value amount; and
- (d) eTRS contingency booklet (if any) should be kept by the store manager.

16 Penalties for participating retailers who fail to comply

- 16.1 If you choose to participate in the eTRS, you must comply with the conditions laid out in the GST (General) Regulations, this e-Tax guide and those made known to you through your CRA. Failure to do so may result in the termination of your affiliation and participation in eTRS. IRAS may also disallow retailers to participate in the eTRS if the retailers are managed by individuals who were involved in operating other business found with serious lapses in the operation of the eTRS or serious non-compliance with the eTRS rules.
- 16.2 The TRS is available only to bona fide tourists for the claiming of GST refunds on goods they have purchased and brought out of Singapore. It is an offence for a person to obtain GST refunds if the person does not meet the TRS qualifying criteria and conditions. It is also an offence for an individual to assist another person in obtaining fraudulent eTRS refunds, such as by selling one's receipt or invoice to support the claim. IRAS will not hesitate to take firm action against retailers who are complicit or negligent in the issuing of eTRS transactions leading to the abuse of the TRS.
- 16.3 Please also note that failure to comply with the regulations will lead to your refund claims being denied (if you are acting as an IR operating the eTRS) and certain penalties being imposed.
- 16.4 If you are guilty of an offence made under the eTRS, you shall be liable on conviction to a fine not exceeding \$5,000 and an imprisonment term not exceeding 6 months in default of payment.
