

## List of Donation Management Systems (DMS) supporting API Submission of Donation Records to IRAS (as at 26 Nov 2025)

The Donation Management Systems (DMS) listed below are able to [support the submission of tax-deductible donation records to IRAS via API](#), in the required format and specifications for Year of Assessment 2026. Please note that the list is solely for reference purposes only.

You may contact your vendor directly to check if your current DMS supports IRAS' file format and specifications on API submission of tax deductible donation records to IRAS, and if so, how you can make use of this feature.

---

Things to note when selecting DMS from this list:

- The DMS listed have been validated for the purpose of the submission of tax-deductible donation records to IRAS via API, and are not an endorsement by IRAS.
- IRAS is not liable for any losses or damages, loss of income, profit or savings, or indirect, incidental, special, or consequential or punitive damages arising from or in connection with the use and/or purchase of any of the DMS from this list.
- IPCs/Grantmakers should exercise due care when purchasing/ using the DMS and where appropriate, seek professional advice. When making the purchase, IPCs/Grantmakers may wish to take into consideration other factors such as maintenance costs, (e.g. cost on mandatory system upgrades arising from legislative changes etc.), data security, and ease of use.

*Disclaimer:*

*IRAS does not endorse or recommend any vendor or software listed in this listing. IRAS assumes no responsibility for the pricing, schedule or the quality of any product or service rendered by the vendors. If you choose to contract with any vendor or rely on this listing in any way, you do so at your own risk.*

*IRAS does not verify the security, authenticity, integrity or confidentiality of any software (or the operation of such software) listed in this listing. Usage of any software listed in this listing is at your own risk.*

*IRAS disclaims liability of any kind arising directly or indirectly from any reliance on this listing, including (and not limited to) any loss or damage arising from the use of any software listed in this listing.*

## Donation Management Systems (DMS) Supporting API Submission of Donation Records to IRAS

DMS are listed in alphabetical order.

| S/N | DMS Name                                              | DMS Vendor                           | Contact No.            | Email                                                                                                                                                                            | Support API Submission since |
