Update Contact Details

Q1 Can a Singapore Citizen / Permanent Resident (i.e. NRIC holder) update the residential address?

A1 NRIC holders who wish to update Government departments of a change in their residential address can do so by using the Immigration and Checkpoints Authority (ICA)'s [Change of Address e-Service](#). If you are unable to update your address online, you may appoint proxies who are Singpass holders to submit an application on your behalf or visit ICA for assistance.

Note:

Under the National Registration Act, an NRIC holder is required to report his/her change of residential address within 28 days of moving, including changes to a place of residence outside Singapore.

Participating government agencies and statutory boards will then be informed of the change in address through the One-Stop Change of Address Reporting Service (OSCARS). For more information on updating residential address, please visit ICA website (<https://www.ica.gov.sg>).

Q2 Can a Singapore Citizen / Permanent Resident (i.e. NRIC holder) change the mailing address to an address other than the residential address (e.g. employer's address)?

A2 Yes. To do so, please log in to myTax Mail using your Singpass or Singpass Foreign user Account (SFA) to inform us of your new mailing address. You are required to inform IRAS whenever there is a change to your mailing address.

Q3 I am not a Singapore Identity Card (NRIC) holder. Can I update my address via this digital service?

A3 Yes.
